

Guided Reading Lesson Guide

1st – 4th grade

The aim of guided reading is to develop independent readers who apply strategies to new text as they seek meaning.

Guided reading is the “heart” of your reading block. It is differentiated, very focused and rigorous.

DAY 1

Warm-up Activity (2 min)	• Phonemic Awareness/phonics as needed
Strategy Focus	• Teacher identifies prior to reading • Use Houghton Mifflin strategy focus or skill
Book Introduction (1 min.)	• Teacher orally states an introduction that helps create a focus for reading. (i.e. Today you are going to read a book called....In this book, you are going to read a story about a bear who....) • Can use the introduction to pre-teach or model the strategy/skill
Activate prior knowledge (2-3 min.)	• Use vocabulary, oral introduction and title to make reasonable predictions • Picture Walk/building background – quick; chunk sections, minimize and “let the author do the talking” ▶ Identify tricky pictures or concepts that may interfere with comprehension during the reading of the text. ▶ Use selected pictures to predict outcomes • Use metacognition thinking stems • Identify connections that students are able to make. • Focus on higher level thinking skills/comprehension.
Explicit vocabulary instruction (3-5 min.)	• Explicitly teach vocabulary words in curriculum guide (i.e. context cards) • Focus on word meaning

Green,2006 All elementary schools in the Green Bay Area Public School District are now using the guided reading approach for reading instruction Simply stated guided reading involves teaching students at their instructional level This means that in one classroom alone a teacher may have five different reading groups in which students are all reading different books and focusing on different skills Planning for numerous reading groups can take up the majority if not all of teacher s planning time Due to the fact that planning for guided reading instruction takes so much time teachers don t have time to meet their remaining job requirements within the allotted amount of time and are unable to collaborate effectively with their grade level peers This advocacy project focuses on producing a resource of lesson plans that correspond to the books in Martin Elementary School s book room to minimize the amount of time teachers spend planning guided reading lessons in order to enable them to have more time to complete other job requirements during the work day This project incorporates time for teachers to collaborate in order to produce quality lessons
