

## LETTER OF TRANSMITTAL

Date

Dear,

It is indeed a great pleasure in presenting this compensation plan. This plan will reveal the various ways to reimburse employees of a family business. Salaries, Wages and Benefits provided, will be based on the positions of the employees in the Job evaluation plan.

The report will highlight the implementation of the compensation plan in the business and will also anticipate any difficulties that can occur in doing so. We will rationalize our compensation plan by comparing it with a global organization. This plan will include all important calculations and materials that will be used to develop compensation plan. The report will also show the detailed analysis of the industrial costing and impact of employee benefits on costing aspect.

It will be appreciated if you can review the compensation plan. We will be available to come in and discuss the plan further and can be contacted at the company's email-

Sincerely,

# Sample Letter For Comp Time

Becker Jr.,Rolf A. Walstad,2012-12-06 Since its establishment in the 1950s the American Economic Association s Committee on Economic Education has sought to promote improved instruction in economics and to facilitate this objective by stimulating research on the teaching of economics These efforts are most apparent in the sessions on economic education that the Committee organizes at the Association s annual meetings At these sessions economists interested in economic education have

opportunities to present new ideas on teaching and research and also to report the findings of their research The record of this activity can be found in the Proceedings of the American Economic Review The Committee on Economic Education and its members have been actively involved in a variety of other projects In the early 1960s it organized the National Task Force on Economic Education that spurred the development of economics teaching at the precollege level This in turn led to the development of a standardized research instrument a high school test of economic understanding This was followed later in the 1960s by the preparation of a similar test of understanding college economics The development of these two instruments greatly facilitated research on the impact of economics instruction opened the way for application of increasingly sophisticated statistical methods in measuring the impact of economic education and initiated a steady stream of research papers on a subject that previously had not been explored
