

Jim Campbell
Co-Chairman, Never Forgotten Honor Flight, Inc.

Dear Sir:

Please accept this check in memory of Ned and Arlett Nehring long time residents of Marion, Wisconsin. They were recently killed in a car accident. Ned was a very proud Army Air Force veteran and his wife was most active in the auxiliary. My wife and I would like to give this fifty dollars in memory of these two wonderful people. As far as we know their closest family member, a daughter, lives in Shawano. Her name is Charlene Helms. She is the wife of Harold Helms.

If you wish to let them know someone sent a donation to help defray costs of an Honor Flight in memory of her mother and father that would be fine. You don't have to tell them who the donation came from. We do not feel that is necessary. Both our parents were also WWII veterans and what Honor Flight does is truly remarkable. Thank you for your time and effort on the part of all the WWII vets.

Most respectfully,

Mary and Fred Kovach

Letters from Pearl Harbor Daniel Rose, 2018-11-19 A true first hand account of December 7th 1941 featuring hand written letters from Pearl Harbor survivors sharing their own experiences from that day [Air Corps News Letter](#) ,1943

Handbook of Personal Security Patrick J. Carroll, Robert M. Arkin, Aaron L. Wichman, 2015-04-24 The issue of psychological security within an increasingly unstable interconnected world has become a defining challenge of modern individual and cultural life The terror attacks of September 11 2001 and the global financial crisis that unfolded in 2008 have intensified a sense of global and personal insecurity This concern with psychological insecurity is reflected in contemporary culture politics the business world consumer behavior the arts and other areas Within this context the psychological sciences have kept pace vigorously investigating these issues This handbook features the latest theory and research examining cognitive emotional and behavioral responses to security threats It expands the conceptual focus from specific security threats to the broader range of antecedents processes and consequences of psychological security insecurity The chapters are organized into four content areas personal security in individual contexts personal security in interpersonal contexts personal security with cultural and health contexts and interdisciplinary analyses of personal security They represent a new and vibrant area of research unified by the common goal of understanding the factors that shape a sense of personal security Together these provocative chapters provide specific starting points that will shape future theory policy and practice on this dominant social issue of the 21st Century and more importantly offer opportunities to connect social and personality psychology to its scientific kin **Customer CEO** Chuck Wall, Michael Port, 2016-10-21 Most companies still operate as if

they control their customers But in today's market it's really the other way around Customer CEO confronts the new market reality that customers choose which companies to do business with completely on their own terms This effectively inverts the power control and direction of decision making to survive in this new landscape organizations must quickly adapt Author Chuck Wall explores the nine powers customer possess including the power of me the power of the heart and the power of rebellion and how companies can profit by understanding the power of their customers Based on more than a decade of firsthand experience and over 100 000 customer interviews Customer CEO provides every size company with a roadmap of fresh ideas and easy to use tools while exploring three dozen companies that embrace the power of their customers By reading this book every leader can transform their business into a Customer CEO company **The Rotarian** ,1945-11
