

Personification poem

Personified earth

In the field, the flowers sway and sing,
Their colorful petals dancing in a ring.
Each one has a face, a unique personality,
With bright smiles, they're full of positivity.

The sun peeks out, spreading its warm embrace,
Kissing the flowers, a loving and gentle chase.
They raise their heads, reaching for the light,
Whispering thanks, glowing oh so bright.

The clouds above, fluffy and big,
They float across the sky, like a playful pig.
Playing hide-and-seek, they laugh and tease,
Making shapes and stories with ease.

The wind joins in, with a mischievous grin,
Tickling the flowers, making them spin.

Poem With Simile Metaphor Personification And Hyperbole
