Universal Remote Control (remote control)

READ THIS FIRST AND THE REMOTE CONTROL

Before using the remote control, read this manual carefully. It contains important information about the remote control and the universal remote control. It also contains information about the remote control's features and functions.

For the best results, use the remote control only when the battery is fully charged. The remote control will not work if the battery is low. To check the battery level, see the "Battery Status" section of this manual.

Step 1: Install your batteries

For the universal remote control to work, it must have two AA alkaline batteries. The batteries must be installed correctly.

TO INSTALL BATTERIES:

1. Remove the battery compartment cover.
2. Insert the batteries, making the battery's positive (+) and negative (-) terminals match the compartment's terminals.
3. Push the cover back into place.

BATTERY STATUS

The remote control has a battery status indicator. When the battery is low, the indicator will light up. To check the battery status, see the "Battery Status" section of this manual.
