Reading Comprehension

What is Reading?

Reading is a message-getting, problem-solving activity. It is a process by which a child can, on the run, extract a sequence of cues from printed texts and relate these, one to another, so he/she **understands** the precise message.

(Marie Clay, *Becoming Literate*)

What is Comprehension?

Comprehension can be described as an active process. It involves the reader in **making meaning** from visual information (eg. print, punctuation, illustrations) and non-visual information (eg. background knowledge based on past experiences with language and the world).
