Revisiting English Grammar:

Revisiting Sentence Adverbials and Relevance Irina T. Pandarova, 2023-06-15 This book offers a fresh take on several long standing issues relating to the non truth conditional interpretation of epistemic evidential hearsay and attitudinal sentence adverbials Drawing on a wealth of data from English and German it shows for the first time that all four adverbial classes can have both truth conditional and non truth conditional parenthetical readings A novel account is presented according to which non truth conditional readings may arise at either the syntactic or the pragmatic level Couched in relevance theory the book also re examines the explicature and illocutionary status of the adverbial qualification and the qualified proposition and refines the notions of pointhood and at issueness to provide an original information structural analysis applicable to not just sentence adverbials but a range of other propositional qualifiers Finally the investigation identifies five factors affecting non truth conditional interpretation linear position prosody the semantics of the adverbial its information structural properties and the wider context The book will be of interest to those interested in relevance theory the semantics pragmatics interface the syntax pragmatics interface and information structure as well as for syntacticians semanticists and pragmatists interested in sentence adverbials other propositional qualifiers and parentheticality syntactic and interpretational

Revisiting the Toolbox of Discourse Studies Markus Rheindorf, 2019-06-07 This book revisits discourse analytic practice analyzing the idea that the field has access to provides or even constitutes a toolbox of methods The precise characteristics of this toolbox have remained largely un theorized and the author discusses the different sets of tools and their combinations particularly those that cut across traditional divides such as those between disciplines or between quantitative and qualitative methods The author emphasizes the potential value of integrating methods in terms of triangulation and its specific benefits arguing that current trends in Open Science require Discourse Studies to re examine its methodological scope and choices and move beyond token acknowledgements of eclecticism In depth case studies supplement the methodological discussion and demonstrate the challenges and benefits of triangulation This book will be a valuable resource for students and scholars in Discourse Studies particularly those with an interest in combining methods and working across disciplines

Teaching English in Africa Anderson, Jason, 2016-04-30 Teaching English in Africa is a practical guide written for primary and secondary school teachers working all over the continent This book relates the practice of English language teaching directly to the African context As well as covering the underlying theory of how children learn languages and how teachers can best facilitate this learning it also provides practical resources and ideas for activities and techniques that have proved successful in English classrooms in Africa both at primary and secondary level It is intended to be a practical guide so references and citations are kept to a minimum and concepts are presented using examples that are likely to be familiar to most teachers working in Africa If there is a bias in this book it is towards the needs of teachers working in low resource isolated contexts in Africa as these teachers are so often neglected by literature on

teaching methodology **Revisiting English Grammar** Johnny S. Geddes, Rosemarie Finlay, 2014 **Revisiting Modality** Vitor Miguez, 2024-04-15 This book presents the first in depth investigation of modality in Galician linguistics offering a theoretical discussion of modal categories and a fine grained description of epistemic adverbs The first half of the monograph deconstructs the most relevant approaches to modal categories and shows how the traditional concept of modality is a problematic notion how it relates to other concepts such as evidentiality and mitigation and how it ought to be conceived of in order to become a more useful instrument for linguistic analysis A new way of understanding modality is explored and illustrated through Galician examples The second half of the book zooms in on six epistemic adverbs which are exhaustively studied from both a formal and a functional perspective Combining a quantitative and a qualitative perspective the book shows that adverbs make up a rich semantic scale and establishes several factors that condition their occurrence in discourse challenging previous conceptions of this grammatical domain Language, Education and Discourse Joseph Foley, 2005-12-05 This collection of essays by leading functional linguists presents the latest perspectives on language and discourse in educational settings The book questions the idea of discourse to reveal that the social processes of learning are imbued with the ideologies of the society and education system within which learning takes place The contributors take into account the historical and cross cultural perspectives of both classroom practices and the student's own awareness of the ideological meanings of language activities Language Education and Discourse is divided into two sections Part one covers early childhood and the growing development of a language system from the basic semiotic system of the infant This is followed by an analysis of the beginnings of literacy in kindergarten the introduction to writing in primary school and the ideological content of reading material Part two furthers this analysis by looking at discourse in secondary and tertiary education The contributors pose questions about the role and importance of teaching grammar in the school system and finally examine how to refine the discourse of education This book will be useful to academics interested in the latest functional perspectives on language as it is used in education **Rethinking L1 Education in a Global Era** Bill Green, Per-Olof Erixon, 2020-11-24 This book brings together a range of scholars from 10 different countries to address the contemporary state of play in national standard language education i.e. the L1 subjects It seeks to understand the field from within a comparative historical and transnational frame Four thematic threads are woven through the volume educationalisation globalisation pluriculturalism and technologization The chapters range over various aspects of L1 as a school subject literature language and literacy reading and writing media and digital technology the dialogue between curriculum inquiry and Didaktik studies the continuing relevance of Bildung the significance of history and nation and new challenges of culture and environment in the face of climate change The book concludes with a reflection on the prospects for L1 education today and tomorrow in a now thoroughly globalised context and accordingly deeply implicated in a necessary new project of nation re building **Revisiting EFL Assessment** Rahma Al-Mahrooqi, Christine Coombe, Faisal

Al-Maamari,Vijay Thakur,2017-01-10 This book examines acknowledged practices and demonstrates to teachers how to make the most out of their assessment practices It also explores different assessment methods for skills such as reading writing listening and speaking Forecasting the future of assessment and where concepts like alternative assessment and dynamic assessment are heading it also shows how relatively new teaching methods such as communicative methodologies and problem based learning are reflected in assessment This book represents a forum where contributors have presented their research and innovative ideas and practices on the important topic of assessment and opened a fresh debate on it It offers an excellent reference guide for EFL teachers practitioners researchers and testing and assessment specialists Each chapter examines central issues in assessment and their connection with teaching and learning in EFL contexts Language

Englishes Lisa Lim,Nikolas Gisborne,2011-10-05 When considering the structure of New Englishes which have evolved in multilingual mostly post colonial contexts of Asia thus Asian Englishes the significant factors to be considered are 1 the varieties of the English lexifier that entered the local context 2 the nature of transmission of English to the local population and 3 the local i e substrate languages of the community in which the New English emerges This third factor is the focus of the five papers in this volume they investigate the structure of Asian varieties of English by exploring the relationship between the typological profile of substrate languages in the specific linguistic ecology and the grammatical features of the emerging contact variety of English The contributions to this volume were originally published in English World Wide 30 2 2009 Revisiting the Assessment of Second Language Abilities: From Theory to Practice Sahbi Hidri,2018-01-12 This book

presents an overview of revisiting the assessment of language abilities It also showcases how the measurement of such constructs can result in negative or positive washback and how outcomes might be conducive to repercussions that decide on the future of many stakeholders The 23 chapters were selected among tens of chapters received from different contexts that addressed the issue of revisiting the assessment of language abilities such as Tunisia Ukraine Algeria Russia KSA Sudan Egypt Canada Kurdistan UK USA Iran Turkey etc These contexts have highlighted the necessity to revisit the different constructs which should be assessed with a clear and straightforward foundation on students learning objectives and their actual language ability To do so most of the chapters present hands on use of relevant statistical tests that might serve in revisiting the construct definition both theoretically and operationally Perhaps the sole and intricate question that the authors of these contributions ask is what it means to revisit the assessment of the construct of individualized language ability and how In addition the book accentuates the momentousness and significance of reflecting on test fairness and validation as the mainspring and backbone for democratization of assessment This book appeals to a broad readership such as English Language Teaching ELT practitioners language teachers students testing organizations policy makers test

designers writers of test specifications testing experts researchers program evaluators especially in the Middle East and North Africa MENA as well as other international contexts **The SAGE Handbook of Writing Development** Roger Beard, Debra Myhill, Jeni Riley, Martin Nystrand, 2009-07-09 Writing development is currently the focus of substantial international debate because it is the aspect of literacy education that has been least responsive to central government and state reforms Teaching approaches in writing have been slower to change than those in teaching reading and pupil attainment in writing has increased at a much more modest rate than pupil attainment in reading This handbook critically examines research and theoretical issues that impact on writing development from the early years through to adulthood It provides those researching or teaching literacy with one of the most academically authoritative and comprehensive works in the field With expert contributors from across the world the book represents a detailed and valuable overview of a complex area of study **World Englishes □ Problems, Properties and Prospects** Thomas Hoffmann, Lucia Siebers, 2009-09-23 World Englishes is a vibrant research field that has attracted scholars from many different linguistic subdisciplines Emphasizing the common ground of all research on World Englishes the 22 articles in this collected volume selected from more than a hundred papers presented at the 2007 conference of the International Association for World Englishes in Regensburg cover a broad range of topics which together reflect the state of the art of research in this field The volume focuses on regions as diverse as Africa the Caribbean the Antipodes and Asia but also promotes a globally comparative perspective by analyzing selected characteristics of the English language across a wide range of varieties Methodologically a number of different approaches are applied including corpus linguistic studies socio phonetics as well as historical discourse analysis Due to its wide scope the book is of interest not only to World Englishes scholars but also to sociolinguists as well as applied contact or corpus linguists Research Handbook on Curriculum and Education Elizabeth Rata, 2024-04-12 This incisive Handbook brings together a wealth of innovative research from international curriculum and education experts to ask the question what knowledge should be taught in school how should it be taught and for what purpose Variation in Indonesian Sign Language Nick Palfreyman, 2019-01-29 This pioneering work on Indonesian Sign Language BISINDO explores the linguistic and social factors that lie behind variation in the grammatical domains of negation and completion Using a corpus of spontaneous data from signers in the cities of Solo and Makassar Palfreyman applies an innovative blend of methods from sign language typology and Variationist Sociolinguistics with findings that have important implications for our understanding of grammaticalisation in sign languages The book will be of interest to linguists and sociolinguists including those without prior experience of sign language research and to all who are curious about the history of Indonesia's urban sign community Nick Palfreyman is a Leverhulme Early Career Research Fellow at the International Institute for Sign Languages and Deaf Studies iSLanDS University of Central Lancashire Cognitive Sociolinguistics Revisited Gitte Kristiansen, Karlien Franco, Stefano De Pascale, Laura Rosseel, Weiwei Zhang, 2021-11-22 Cognitive Sociolinguistics draws on

the rich theoretical framework of Cognitive Linguistics and focuses on the social factors that underlie the variability of meaning and conceptualization In the last decade the field has expanded in various way The current volume takes stock of current and emerging advances in the field in short academic contributions The studies collected in this book have a usage based approach to language variation and change drawing on the theoretical framework of Cognitive Linguistics and are sensitive to social variation be it cross linguistic or language internal Three types of contributions are collected in this book First it contains theoretical overview papers on the domains that have witnessed expansion in recent years Second it presents novel research ideas in proof of concept contributions aimed at blue sky research and out of the box linguistic analyses Third it showcases recent empirical studies within the field By combining these three types of contributions the book provides an encompassing overview of novel developments in the field of Cognitive Sociolinguistics

Creoles, Their Substrates, and Language Typology Claire Lefebvre, 2011-01-01 Since creole languages draw their properties from both their substrate and superstrate sources the typological classification of creoles has long been a major issue for creolists typologists and linguists in general Several contradictory proposals have been put forward in the literature For example creole languages typologically pair with their superstrate languages Chaudenson 2003 with their substrate languages Lefebvre 1998 or even creole languages are alike Bickerton 1984 such that they constitute a definable typological class McWhorter 1998 This book contains 25 chapters bearing on detailed comparisons of some 30 creoles and their substrate languages As the substrate languages of these creoles are typologically different the detailed investigation of substrate features in the creoles leads to a particular answer to the question of how creoles should be classified typologically The bulk of the data show that creoles reproduce the typological features of their substrate languages This argues that creoles cannot be claimed to constitute a definable typological class
