DESIGN-A-RIDE

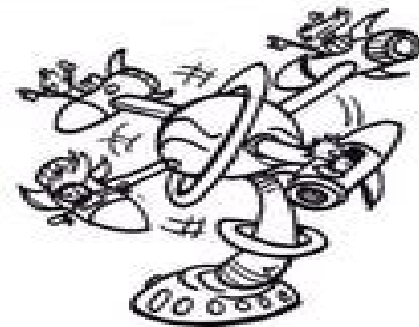

Theme park rides immerse guests in a three-dimensional story—thrilling and entertaining them at the same time. Now you have a chance to create your own ride! The only limit is your own imagination! Are you up to the challenge?

BACKGROUND You are a ride engineer for the Art of Allusion Amusement (AAA) Company, known for creating the best theme park attractions in the world. Your company does it all—water rides, thrill rides, and dark rides. Today your boss announces a contest for you and your fellow employees. Whoever can design the best story-based attraction will receive an all-expense-paid trip to the theme park of his or her choice! The challenge is set: Can you design the best ride concept?

YOUR MISSION Create the best story-based attraction and win your company's contest!

JUDGING CRITERIA These are the areas in which your boss will judge your ride concept:

- **Creativity:** How original is your ride? Does it stand out from the others?
- **Storytelling:** How well does your ride tell a story? Does the design of your ride fit the story it's attempting to tell?
- **Fun Factor:** How much fun will your ride be for guests? Does it contain any surprises and thrills?
- **Presentation:** How eye-catching and organized is your ride concept?
