by Dianne Craft, Child Diagnostics, Inc.

HUNGRY BEAR

The 7 year old couldn't wait to go play in the new fort that he and his dad had built in the apple tree in their back yard. As he was up there playing and eating apples he heard a loud GROWL! He looked down and there was a bear! He had never been so scared.

He started throwing apples at the bear to make it go away. The bear actually liked apples and started eating them.

He must have been really hungry because he ate 42 apples before wandering back into the forest!
