A Study Guide for Roald Dahl's "Beware of the Dog" Gale, Cengage Learning, **A Practical Guide to Creative Writing in Schools** Fiona Clark, 2021-04-22 This book contains seven tried and tested creative writing projects for pupils aged 8-14. Each project is delivered through a series of workshops and enables pupils to explore a literary genre or writing style, discuss themes and topics, and receive constructive feedback about their writing. The projects cover topics such as identity, cultural heritage, tolerance, empathy, morality, dreams, and much more. Teachers wanting to run creative writing projects will find this book easy to follow, practical, and time-saving. Each project allows students to explore a certain literary genre or writing style in detail, be creative, and have fun while learning to think about, talk about, and discuss themes and topics, receive constructive feedback about their writing, pursue their own ideas, see themselves as real writers with a real audience, understand that writing can be enjoyable, artistic, and relaxing, experience creativity to improve their wellbeing. These ready-made projects are invaluable for teachers who are looking for new and successful creative writing projects for a range of students. They will enable teachers to immediately start making a difference to their students' confidence and writing skills, allowing them to be as creative and imaginative as possible and use creativity as a springboard for their own writing. *The Primary English Encyclopedia* Margaret Mallett, 2012 This newly updated user-friendly encyclopedia explains concepts, aims, and current requirements in all aspects of the primary English curriculum and is an invaluable reference for all training and practising teachers. Now in its fourth edition, entries have been updated to take account of new research and thinking and now reflect the requirements of the new Primary National Curriculum and particularly The Communication Language and Literacy Development element. The approach is critical but constructive and supportive of the reflective practitioner in developing sound subject knowledge and good classroom practice. The encyclopedia includes over 600 entries, including new entries on English in the Early Years, bilingualism, SEN, the use of the internet, synthetic phonics, and many more. Short definitions of key concepts, succinct explanations of current UK requirements, extended entries on major topics such as speaking and listening, reading, writing, drama, poetry, bilingualism, and children's literature, input on new literacies and new kinds of texts for children, discussion of current issues, and some input on the history of English teaching in the primary years. Gender and literacy: important references for each topic, advice on further reading, and accounts of recent research findings. A Who's Who of Primary English and lists of essential texts, updated for this new edition. This encyclopedia will be ideal for student teachers on BA and PGCE courses preparing for work in primary schools and primary school teachers.
