Evaluative Inquiry for Systemic Change Emily F. Gates, Pablo Vidueira, 2025-09-29 In a world where social ecological health and other problems are influenced by multiple intersecting systems why do most interventions target single factor solutions Why does so much evaluation settle for incremental change and how could it contribute instead to deeper lasting transformative change Authors Emily F Gates and Pablo Vidueira make two interconnected arguments in this book they critique the fixed approach of traditional program evaluation and policy analysis and they advance an alternative approach centered on changing systems and developing the value of efforts toward change They demonstrate that systemic change that embeds evaluative inquiry is a theoretically supported practical way to work toward fundamental social change with lasting impact
