

Reading Comprehension

Drawing Conclusions

Great readers draw conclusions based on hints from the author in a story. When you draw conclusions, you use the information from the passage to make a guess about something. Readers use the author's hints, or evidence, to support their conclusion.

Directions: Read each passage. Then, draw a conclusion about the story based on the details in the passage. Underline the hints the author gives in the passage.

	Passage	Draw a Conclusion
1.	Repetitions were cut and the cabinet was empty. Arlene knew stared at the clock, wondering exactly what was taking her so long. The grain filled her mouth and comforted her from both sides. Finally, the cabinet began a sweet-sounding melody and even time rose in their steps.	Where are they?
2.	My lungs were ready and the only thing left to pack were the food provisions. When knew what we'd need, especially since the parents were coming too. They always brought enough food to last an army. I checked the basket to make sure the potatoes worked and I called Tanager to the car. She wagged her tail happily. She was ready for her first overnight adventure in nature.	Where are they going?
3.	She wiped sweat from her brow and looked down at the script one last time. She had rehearsed every ending moment and knew she was prepared, but she couldn't keep the growing feeling in her stomach. Thoughts of doubt raced through her head, but she shoved them aside. She was ready. She wished on a hope left, determined to show them just how hard she had worked to get this right.	What did she rehearse?
4.	The buses rolled around the neighborhood. They made an unfamiliar sound after the long, blaringly hot summer. The bursts of kids with their shiny new backpacks put smiles on parents' faces. The nervous chatter of the bus was spread some of the tension off the new students.	What time of year is it?
5.	Danago determined that he was going to have a plan, even if he didn't know anyone. He stood on the front door and took a deep breathe. Tapering his doorway, he'd wrapped his gift in newspaper, wrapping paper and was sure his cousin would love it. What he doubted was whether anyone else would find the present was still the strangest of his shoulders and using the bell, he guessed he would find out soon enough.	Why did Danago have a present?

Reading Comprehension Drawing Conclusions Quiz
