Richardsons Autopsy Report Released:

Criminal Bodies in the West Melissa Schrift, 2020-05-21 This book explores the cultural meanings of the criminal body in the west through historical and multidisciplinary frameworks examining both how the criminal corpse was viewed as a repository of power and how it held significant cultural meaning as material relic Authors situate the criminal body at different historical junctures to examine ways in which the criminal corpse was displayed and managed for social political magical and medicinal powers and purposes They explain how this legacy persists in significant ways in the contemporary west primarily through the commodification of criminal bodies in popular and public displays The role of notorious criminal bodies in contemporary culture also reverberates in political and scientific realms in which criminal bodies often carry symbolic meanings related to ambivalence over interpretations of death Drawing on examples from history as well as more contemporary criminal bodies the book will be of interest to those studying death and criminology and show how the criminal body can retain an iconic status in the collective memory of the living This book was originally published as a special issue of *Mortality*

The Black Dahlia Files Donald H. Wolfe, 2022-03-08 In 1946 Elizabeth Short traveled to Hollywood to become famous and see her name up in lights Instead the dark haired beauty became immortalized in the headlines as the Black Dahlia when her nude and bisected body was discovered in the weeds of a vacant lot Despite the efforts of more than four hundred police officers and homicide investigators the heinous crime was never solved Now after endless speculation and false claims bestselling author Donald H Wolfe discovers startling new evidence buried in the files of the Los Angeles District Attorney s Office for more than half a century With the aid of archival photos news clippings and investigative reports Wolfe documents the riveting untold story that names the brutal murderer the notorious Mafia leader Benjamin Bugsy Siegel and the motive an unwanted pregnancy resulting from Short s involvement with the most powerful figure in Los Angeles Norman Chandler But Wolfe goes even further to unravel the large scale cover up behind the case Wolfe s extensive research based on the evidence he discovered in the recently opened LADA files makes *The Black Dahlia Files* the authoritative work on the murder that has drawn endless scrutiny but remained unsolved until now

Jet, 1980-02-07 The weekly source of African American political and entertainment news

“Keep ‘Em in the East” Richard Koszarski, 2021-07-20 The year 1955 was a watershed one for New York s film industry Elia Kazan s *On the Waterfront* took home eight Oscars and more quietly Stanley Kubrick released the low budget classic *Killer s Kiss* A wave of films that changed how American movies were made soon followed led by directors such as Sidney Lumet William Friedkin Francis Ford Coppola and Martin Scorsese Yet this resurgence could not have occurred without a deeply rooted tradition of local film production Richard Koszarski chronicles the compelling and often surprising origins of New York s postwar film renaissance looking beyond such classics as *Naked City* *Kiss of Death* and *Portrait of Jennie* He examines the social cultural and economic forces that shaped New York filmmaking from city politics to union regulations and shows how decades of low budget independent production taught local

filmmakers how to capture the city's grit, liveliness and allure. He reveals the importance of race films, all Black productions intended for segregated African American audiences that not only helped keep the film business afloat but also nurtured a core group of writers, directors, designers and technicians. Detailed production histories of *On the Waterfront* and *Killer's Kiss* films that appear here in a completely new light illustrate the distinctive characteristics of New York cinema. Drawing on a vast array of research including studio libraries, censorship records, union archives and interviews with participants, *Keep Em in the East* rewrites a crucial chapter in the history of American cinema.

Daddy was the Black Dahlia Killer Janice Knowlton, 1995 Knowlton experiences a flood of repressed childhood memories and realizes that her father was L.A.'s notorious Black Dahlia Killer. Carefully documenting her claims, she exposes George Knowlton's 30-year rampage of rape and murder. Even more shocking is the evidence she provides, revealing that the police always knew the killer's identity. New York Supreme Court Appellate Division First Department, Who Killed Stella Pomeroy? Basil Thomson, 2016-04-04 There's one thing which I daresay you noticed: that pair of slippers half-kicked under the bath were of men's size. Yes, I noticed that too, and they were sprinkled with blood. A man went calmly about his work while his wife lay dead in the house. After he is arrested and accused of the murder, doubt is cast regarding his guilt. Richardson is assigned the case. Richardson delves into the murdered woman's strange background and becomes convinced that the law is holding an innocent man. With dogged persistence and courage, he pursues the sinister figure who dominated the terrible business. Will he, in the end, with the aid of an initialled handbag and an initialled hammer, bring the case to a successful end and find the guilty person? *Who Killed Stella Pomeroy?* was originally published in 1936. This new edition, the first in many decades, features an introduction by crime novelist Martin Edwards, author of acclaimed genre history *The Golden Age of Murder*. Sir Basil Thomson's tales are always good reading, and he has the knack of being accurate about Scotland Yard. Dorothy L. Sayers. *Reports of Cases Argued and Determined in the Supreme Judicial Court of the Commonwealth of Massachusetts*. Supreme Judicial Court, 1846

Hiding in the Shadows Kay Hooper, 2009-07-22 Terror waits just out of sight. Hiding In The Shadows. Accident victim Faith Parker has done what her doctors feared she never would: awakened from the coma that held her prisoner for weeks. But she has no memory of the crash that nearly killed her or the life that led up to it. Nor does she remember journalist Dinah Leighton, the steadfast friend who visited her in the hospital until she disappeared without a trace. Now, as Faith begins to regain her strength, she's shocked by intimate dreams of a man she doesn't recognize and tortured by visions of violence that feel painfully real. Something inexplicable ties her lost memories to Dinah's chilling fate. But even as Faith tries to understand the connection and reach out to save Dinah, death is stalking both women. And one of them will not escape its lethal grasp. FBI agent Noah Bishop has a rare gift for seeing what others do not: a gift that helps him solve the most puzzling cases. Now read more of his electrifying adventures in two stand-alone tales of psychic suspense.
