

A year after his runaway bestseller *Jurassic Park*

Michael Crichton

moves beyond the headlines

with a novel of international corporate intrigue
in a world in which "business is war"

RISING SUN

On the forty-fifth floor of the Nakamoto Tower in downtown L.A.—the new American headquarters of the immense Japanese conglomerate—a grand opening celebration is in full swing.

On the forty-sixth floor, in an empty conference room, the dead body of a beautiful young woman is discovered.

The investigation begins—and immediately becomes a headlong chase through a twisting maze of industrial intrigue—a worldwide-banned conflict in which the control of a vital American technology is the fiercely coveted prize—and the Japanese saying "business is war" takes on a horrifying reality.

**A thriller that enters
the volatile arena of U.S.—Japan industrial
rivalry. "Shocking, suspenseful, techno-
logically riveting...Enormously clever."**
