

Omega Psi Phi Initiation Ritual

No date

Formal Meetings of the Fraternity

At the annual or other emergency meeting of the Fraternity in Grand Conclave assembled the Grand Basileus shall be seated in the center of the platform occupying his desk. All Ex-Grand Basileus shall be seated immediately behind the Grand Basileus, while on his right shall be seated the Grand Keeper of Records and Seal and on his left shall be seated the Vice Grand Basileus and the Grand Keeper of Finances. The Grand Marshal shall occupy a seat near the Grand Basileus and shall carry out his requests quietly. The members shall be seated in the assembly hall, facing the Grand Basileus, and shall listen attentively to and take a part in, all questions that may arise and call for discussion.

They shall be expected to move about as little as possible, and quietness shall prevail during all deliberations of the Grand Conclave. The Custodian of the Peace who shall be appointed by the Grand Basileus at the beginning of the Conclave, shall be stationed at the door and shall admit only those persons who are members of the Fraternity and such other persons as have the permission of the Grand Conclave through the Grand Basileus.

Formal Meetings of the Chapters

At the regular or special meetings of the Chapters the same dignity and quietness must be observed as in the meetings of the Grand Conclave.

Seating arrangements shall, when possible, conform to the seating arrangement of the Grand Conclave—the Basileus of the Chapter occupying the seat and desk in the center, all ex-Basileus seated behind him, while the Keeper of Records and Seal and the Keeper of Finances occupy seats at his right and left, respectively. The Keeper of the Peace shall be stationed at the door and shall admit only those persons who are members of the Fraternity, and such other persons as have the permission of the Chapter through the Basileus.

In all cases where persons other than those members of the Fraternity are permitted to enter meetings of the Fraternity, the table containing the lights of Omega and other ritualistic emblems shall be removed from sight.

Ritual Of Omega Psi Phi

Ricky L. Jones

Ritual Of Omega Psi Phi:

The Hazing Reader Hank Nuwer, 2004 Despite numerous highly publicized incidents and widespread calls for reform hazing continues to plague many of the nation's institutions In this volume noted hazing researcher Hank Nuwer presents 15 essays that can help all of us parent and professional alike better understand the culture of hazing **Soulstepping** Elizabeth Calvert Fine, 2003 Stepping is a complex performance that melds folk traditions with popular culture and involves synchronized percussive movement singing speaking chanting and drama Elizabeth C Fine's stunningly elaborate and vibrant portrayal of the cultural politics of stepping draws on interviews with individuals on college campuses and steppers and stepping coaches from high schools community groups churches and dance organizations Soulstepping is the first book to document the history of stepping its roots in African and African American culture and its transformation by churches schools and social groups into a powerful tool for instilling group identity and community involvement **With Faith in God and Heart and Mind** Maurice J. Hobson, Eddie R. Cole, Jim C. Harper, Derrick P. Alridge, 2025-01-10 When Edgar A Love Oscar J Cooper Frank Coleman and Ernest Everett Just founded the historically Black fraternity Omega Psi Phi on November 17 1911 at Howard University they could not have known how great of an impact their organization would have on American life Over the 110 years that followed its members led colleges and universities served in prominent military roles made innumerable contributions to education civic society science and medicine and at least one campaigned for the US presidency This book offers a comprehensive authoritative history of the fraternity emphasizing its vital role through multiple eras of the Black freedom struggle The authors address both the individual work of its membership which has included such figures as Carter G Woodson Bayard Rustin Roy Wilkins James L Farmer Jr Benjamin Elijah Mays James Clyburn Jesse Jackson and Benjamin Crump and the collective efforts of the fraternity's leadership to encourage its general membership to contribute to the struggle in concrete ways over the years The result is a book that uniquely connects the 1910s with the present showing the ongoing power of a Black fraternal organization to channel its members toward social reform **African American Fraternities and Sororities** Tamara L. Brown, Gregory S. Parks, Clarendia M. Phillips, 2012-02-29 The rich history and social significance of the Divine Nine African American Greek letter organizations is explored in this comprehensive anthology In the long tradition of African American benevolent and secret societies intercollegiate African American fraternities and sororities have strong traditions of fostering brotherhood and sisterhood among their members exerting considerable influence in the African American community and being in the forefront of civic action community service and philanthropy Dr Martin Luther King Jr Toni Morrison Arthur Ashe and Sarah Vaughn are just a few of the trailblazing members of these organizations African American Fraternities and Sororities places the history of these organizations in context linking them to other movements and organizations that predated them and tying their history to the Civil Rights movement It explores various cultural aspects of the organizations such as auxiliary groups branding calls and stepping and highlights the unique

role of African American sororities Before You Pledge: Essential Information You Should Know About the Divine Nine Dr. Michael J. R. Winfield, Before You Pledge Essential Information You Should Know About the Divine Nine is an important read for all those considering joining a Black Greek Letter Organization or for anyone wanting to simply learn about the origin of this august body of black men and women The dawn of the twentieth century brought many challenges to young African American students seeking enrollment at all white college campuses Intense racial prejudice forced many black students to leave predominantly white universities And at the same time on Historically Black College campuses the desire for fellowship through shared social experiences led to the rise of Black Greek life starting with Cornell University in New York Alpha Phi Alpha the first black fraternity formed at a predominantly white university in 1906 would point the way for similar organizations to develop Between 1906 and 1922 eight Black Greek Letter Organizations were formed with a ninth in 1963 Known collectively as the Divine Nine these five fraternities and four sororities would go on to shape the course of Black America Together these young black men and women would face down racial prejudice take the lead in the fight for social justice in the end reshape the American cultural landscape Finally no other group of people can claim to have the sheer degree of accomplishments in all areas of human activity in the United States and in many other parts of the world compared to the Divine Nine **Encyclopedia of African American History, 1896 to the Present** Paul Finkelman, 2009

Alphabetically arranged entries from A to C that explores significant events major persons organizations and political and social movements in African American history from 1896 to the twenty first century **New York State Folklife Reader** Elizabeth Tucker, Ellen E. McHale, 2013-10-01 New York and its folklore scholars hold an important place in the history of the discipline In New York dialogue between folklore researchers in the academy and those working in the public arena has been highly productive In this volume the works of New York s academic and public folklorists are presented together Unlike some folklore anthologies New York State Folklife Reader does not follow an organizational plan based on regions or genres Because the New York Folklore Society has always tried to give folklore back to the people the editors decided to divide the edited volume into sections about life processes that all New York state residents share The book begins with five essays on various aspects of folk cultural memory personal family community and historical processes of remembrance expressed through narrative ritual and other forms of folklore Following these essays subsequent sections explore aspects of life in New York through the lens of Play Work Resistance and Food Both the New York Folklore Society and its journal were as society cofounder Louis Jones explained intended to reach not just the professional folklorists but those of the general public who were interested in the oral traditions of the State Written in an accessible and readable style this volume offers a glimpse into New York State s rich cultural diversity **Black Greek 101** Walter M. Kimbrough, 2003 When members of Black fraternal organizations and non members alike finish Black Greek 101 they will have a foundation for understanding some of the most interesting organizations that have influenced not only campus culture but American culture as a whole Jacket

Greek Letter Exposed Rayford L. Johnson, 2024-02-26 Ever wondered why secret societies are secret Why is it that an overwhelming majority of elite leaders in America including those who've occupied the highest office have belonged to an organization in the vast network of secret societies whose rituals and teachings derived from the ancient mystery schools of Egypt and Babylon Why is death the penalty for breaking a secret society oath Why do they pay homage to pagan gods and goddesses Why do many self-proclaimed Christians belong to these secret societies when their practices blatantly violate God's Commandments such as Exodus 20:3 which states Thou shalt have no other gods before me And why don't their pastors say anything about it Is there a secret motive behind the positive PR that many of these secret organizations receive for their good deeds such as feeding programs scholarships volunteering youth mentoring etc that even the lower ranking members of these societies don't know about Could today's network of these secret societies be the architects and workers of the antichrist New World Order aka Illuminati as prophesied in the Holy Bible These questions and more will be answered by author and Evangelist Rayford L Johnson who has spent more than 20 years researching writing and teaching on the occult Johnson has counseled and ministered demon deliverance prayers on many former members of the occult Many of them have testified that they have been set free by the power of Jesus Christ from the spiritual torment and generational curses that the pagan rituals and oaths have unknowingly brought upon them and even their family through the spiritual legalities of breaking God's commandments The Truth Shall Make You Free John 8:32 <http://www.thugexposed.org> **Black**

Greek-Letter Organizations 2.0 Matthew W. Hughey, Gregory S. Parks, 2011-02-18 At the turn of the twentieth century black fraternities and sororities also known as Black Greek Letter Organizations BGLOs were an integral part of what W E B Du Bois called the talented tenth This was the top ten percent of the black community that would serve as a cadre of educated upper class motivated individuals who acquired the professional credentials skills and capital to assist the race to attain socioeconomic parity Today however BGLOs struggle to find their place and direction in a world drastically different from the one that witnessed their genesis In recent years there has been a growing body of scholarship on BGLOs This collection of essays seeks to push those who think about BGLOs to engage in more critically and empirically based analysis This book also seeks to move BGLO members and those who work with them beyond conclusions based on hunches conventional wisdom intuition and personal experience In addition to a rich range of scholars this volume includes a kind of call and response feature between scholars and prominent members of the BGLO community **Darwin's Athletes** John Milton Hoberman, 1997 Studies our society's fixation on black athletic achievement and argue that this obsession shared by both blacks and whites in the media in corporate America and even by athletes themselves has come to play a disastrous role in African American life and a troubling role in our country's race relations As for example the athleticizing of black identity encourages a disdain for academic achievement already too widespread among black males **The Playbill of Alpha Psi Omega**, 1926 **Hear the Spirit** Raedora C. Stewart, 2025-08-12 Hear the Spirit is a collection of unapologetically

womanist queer Black Christian African and radically inclusive celebrations of faith in God These ritual poems and radical litanies are theopoetic reflections transformed into congregational experiences Whether seeking affirmation solace strength or a spark of rebellion these words will resonate with readers deepest self where holy meets the human condition Raedorah Stewart hopes to inspire other congregations to adapt to suit regional culture and current events that frame the sacred and the profane the personal and the political Let the power of theopoetics transform your life and the world around you

White Boy Mark Naison,2010-06-04 How does a Jewish boy who spent the bulk of his childhood on the basketball courts of Brooklyn wind up teaching in one of the city s pioneering black studies departments Naison s odyssey begins as Brooklyn public schools respond to a new wave of Black migrants and Caribbean immigrants and established residents flee to virtually all white parts of the city or suburbs Already alienated by his parents stance on race issues and their ambitions for him he has started on a separate ideological path by the time he enters Columbia College Once he embarks on a long term interracial relationship becomes a member of SDS focuses his historical work on black activists and organizes community groups in the Bronx his immersion in the radical politics of the 1960s has emerged as the center of his life Determined to keep his ties to the Black community even when the New Left splits along racial lines Naison joined the fledgling African American studies program at Fordham remarkable then as now for its commitment to interracial education This memoir offers more than a participant s account of the New Left s racial dynamics it eloquently speaks to the ways in which political commitments emerge from and are infused with the personal choices we all make African Americans and the Bible

Vincent L. Wimbush,2012-09-01 Perhaps no other group of people has been as much formed by biblical texts and tropes as African Americans From literature and the arts to popular culture and everyday life the Bible courses through black society and culture like blood through veins Despite the enormous recent interest in African American religion relatively little attention has been paid to the diversity of ways in which African Americans have utilized the Bible African Americans and the Bible is the fruit of a four year collaborative research project directed by Vincent L Wimbush and funded by the Lilly Endowment It brings together scholars and experts sixty eight in all from a wide range of academic and artistic fields and disciplines including ethnography cultural history and biblical studies as well as art music film dance drama and literature The focus is on the interaction between the people known as African Americans and that complex of visions rhetorics and ideologies known as the Bible As such the book is less about the meaning s of the Bible than about the Bible and meaning s less about the world s of the Bible than about how worlds and the Bible interact in short about how a text constructs a people and a people constructs a text It is about a particular sociocultural formation but also about the dynamics that obtain in the interrelation between any group of people and sacred texts in general Thus African Americans and the Bible provides an exemplum of sociocultural formation and a critical lens through which the process of sociocultural formation can be viewed

Encyclopedia of African American Society Gerald D. Jaynes,2005-02 An encyclopedic reference of African American

history and culture **Encyclopedia of African American Popular Culture** Jessie Smith, 2010-12-17 This four volume encyclopedia contains compelling and comprehensive information on African American popular culture that will be valuable to high school students and undergraduates college instructors researchers and general readers From the Apollo Theater to the Harlem Renaissance from barber shop and beauty shop culture to African American holidays family reunions and festivals and from the days of black baseball to the era of a black president the culture of African Americans is truly unique and diverse This diversity is the result of intricate customs forged in tightly woven communities not only in the United States but in many cases also stemming from the traditions of another continent Encyclopedia of African American Popular Culture presents information in a traditional A Z organization capturing the essence of the customs of African Americans and presenting this rich cultural heritage through the lens of popular culture Each entry includes historical and current information to provide a meaningful background for the topic and the perspective to appreciate its significance in a modern context This encyclopedia is a valuable research tool that provides easy access to a wealth of information on the African American experience *The True Alpha and Omega* Minister Jerrod Smith, Brother Clifton Lucas, 2011-06-20 This book exposes the true nature and culture of fraternities and sororities In these secret societies there are activities and requirements that cause prospective members and members alike to unknowingly enter into ungodly pacts and covenants These ungodly practices lead to activities which include physical abuse fornication adultery hatred envy strife manipulation social and intellectual elitism abominable sexual activities and witchcraft These organizations attract people that are looking for something that only Christ Jesus can provide However the organizations appears as a light by their community service and networking abilities This light however is a false light Once one gets into the inner workings of the organizations the sin and soul inflicting antics are found deeply rooted in darkness The authors being former members that participated in ungodly activities within these organizations expose the physical mental sexual and spiritual death dealing activities found in fraternities and sororities This is by no means a kiss and tell composition but it is a trying to save people from hell exposition Actual accounts of sexual requirements abuse ancient ungodly spiritual practices witchcraft and required chants which denounce the existence the One True God are given in detail in this book Ungodly spirits of old have found new vessels to operate in through these fraternities and sororities The good thing about this book is that it not only exposes spiritual wickedness and old ungodly practices but it shows people who want to be free how to find God the Ancient of Days Let the Truth be told We encourage you to read this book if you are joining a fraternity or sorority are a member of one are a pastor or have a loved one in one of these organizations We desire for all to be free and blessed by this book [Black Haze, Second Edition](#) Ricky L. Jones, 2015-05-26 Are black men naturally violent Do they define manhood in the same way as their counterparts across lines of race Are black Greek letter fraternities among the most dangerous student organizations on American college and university campuses Can their often dangerous initiation processes be stopped or even modified and if

not what should be done about them In this second edition of *Black Haze* Ricky L Jones takes on these questions and more The first edition was an enlightening and sometimes disturbing examination of American men s quest for acceptance comfort reaffirmation and manhood in a world where their footing is often unstable In this new edition Jones not only provides masterful philosophical and ethical analyses but he also forces the engagement of a terrifying real world process that damages and kills students with all too frequent regularity With a revealing new preface and stunning afterword Jones immerses the reader in an intriguing and dark world marked by hypermasculinity unapologetic brutality and sometimes death He offers a compelling book that ranges well beyond the subject of hazing one that yields perplexing questions and demands difficult choices as we move forward in addressing issues surrounding fraternities violent hazing black men and American society **Xi Psi Phi Quarterly** ,1921
