

## **Writing an Autobiography for a Scholarship Application**

### **The Writing Process**

1. Visualize your audience.
  - a. Think about who will read your autobiography.
  - b. Put yourself in the reader's place.
2. Think about the purpose of the autobiography.
  - a. Why do members of the scholarship committee want to know something about you?
  - b. How would an autobiography help them decide which applicants deserve scholarships?
3. Generate ideas for your autobiography. See the section of this handout that lists brainstorming ideas.
4. Write a rough draft of your autobiography.
  - a. Select a format for your autobiography.
  - b. Don't worry at this point about grammar, spelling, punctuation, etc.
5. Revise your autobiography after a cooling-off period.
  - a. Check the order of your paper. Is the information logically ordered?
  - b. Is all the information relevant to the purpose of the autobiography?
  - c. Have you been honest but positive about yourself?
  - d. Do you need to add more information?
  - e. Read the paper aloud to check sentence sense.
6. Type a clean copy of the autobiography and edit what you have written.

### **Characteristics That Will Improve Your Paper**

1. Use language that is direct, clear, and sounds like you. However, avoid slang and overused expressions.
2. Create a tone that shows confidence, but not arrogance; sincerity, not stuffiness.
3. When appropriate, connect sentences with expressions like "then," "in addition," "finally," "in contrast," so that one idea seems to move logically into the next.

### **Brainstorming Questions**

**Write answers to these questions to get ideas for your autobiography.**

1. What academic accomplishments are you proud of?
