Common Core Curriculum: English, Grades K-5 Great Minds, 2014-05-06 Common Core's English resources empower educators to meet the expectations of the Common Core State Standards CCSS for English Language Arts ELA and build essential content knowledge for students in grades K-5. Each grade in The Wheatley Portfolio features a comprehensive coherent sequence of thematic units that engage students in deep study of worthwhile texts and topics. Features of this book include Six thematic units for each grade each centered on a curated collection of literary and informational texts. Focus standards for each unit that complement the topic and promote student mastery of essential literacy skills. Suggested texts and activities to incorporate science, art, and history into English instruction. This revised second edition includes a sample text study that guides students through a close read of an exemplary text, updated web resources, and refreshed suggested works. Educators who create their curriculum based on Common Core's Wheatley Portfolio guarantee that students are exposed to content-rich instruction and have ample opportunity to master the reading, writing, speaking, listening, and language skills articulated in the CCSS for ELA.

Differentiation for Gifted Learners Diane Heacox, Richard M. Cash, 2020-10-21 Revised and updated edition helps educators increase rigor and depth for all advanced and gifted learners to fulfill their potential. With increasing numbers of students receiving gifted services every year, it's more important than ever for differentiated instruction to go beyond adjusting content levels, task complexity, or product choice; it must truly challenge and support learners on all levels: academic, social, and emotional. This award-winning resource in the field of gifted education has been revised and updated to include a discussion of underserved learners, particularly English language learners, students with autism spectrum disorder (ASD), and economically disadvantaged students; updated information on learning standards, MTSS, and universal screening; new guidelines for honors courses; a focus on scholarly questioning, ethics, and empathy; a novel new strategy to increase curricular depth and complexity; information on learning orientations; new research on neurological differences of gifted learners; the pros and cons of co-teaching and how to assess its progress; new tools to increase achievement; plus a discussion of underlearning, the benefits of coaching, and lesson study. The authors' perspectives on and guidelines for grading. Downloadable digital content includes customizable, reproducible forms and a PDF presentation. A free PLC Book Study Guide for use in professional development is also available.

Differentiation Rick Wormeli, 2023-10-10 Differentiation: From Planning to Practice author Rick Wormeli provides an overview of the cognitive science behind differentiation. As a teacher, you know a one-size-fits-all education doesn't work; students are more diverse than ever. In his book, Wormeli gives a step-by-step process to create a fully crafted differentiation lesson and shows the necessary planning for an effective lesson design for diverse classrooms. Wormeli demonstrates how to weave common and novel differentiation strategies into all subjects and offers clear advice about what to do when things don't go as expected. Based on nearly thirty years of experience as a teacher and instructional coach, his thoughtful and imaginative classroom

accommodations will help teachers succeed with advanced students struggling students English language learners and students across the multiple intelligences spectrum Differentiation provides a practice guide to create lessons that will prepare students for real life success and build their critical thinking skills in the process
