College Rodeo Sylvia Gann Mahoney, 2004 Given in honor of Emken and Sherilyn Lynton by the Aggieland Rotary Club of Bryan College Station *Black Rodeo in the Texas Gulf Coast Region* Demetrius W. Pearson, 2021-05-11 Black Rodeo in the Texas Gulf Coast Region Charcoal in the Ashes provides an in depth sociocultural and historical analysis of the genesis and contemporary state of affairs regarding African American rodeo cowboys in southeast Texas whose ancestors were instrumental in the development of the most celebrated livestock management industry in the world The author painstakingly chronicles the origin of the Texas cattle industry from its Mexican roots to Austin s Colony better known as the George Plantation Ranch where African Americans were intimately involved in the livestock management industry since its inception Although enslaved before during and after the Republic of Texas was established they were early stakeholders in the expansion of the western frontier and an indispensable source of labor that facilitated the burgeoning cattle industry Yet as the author maintains American history wantonly trivialized marginalized and blatantly omitted their contributions This book sheds light on these early cowboys and their descendants who have participated in America s most prominent prole sport with little to no media exposure The author dubbed them Shadow Riders of the Subterranean Circuit and even though American sports are integrated African American rodeo cowboys may be metaphorically seen as bits of charcoal spread among ashes **American Rodeo** Kristine Fredriksson, 1985 Follows the evolution of rodeo from the range to Buffalo Bill s Wild West Show to the extravaganzas in modern times Westernwear Sonya Abrego, 2022-11-03 During the prosperous forward thinking era after the Second World War a growing number of men women and children across the United States were wearing fashions that evoked the Old West Westernwear Postwar American Fashion and Culture examines why a sartorial style with origins in 19th century agrarian traditions continued to be worn at a time when American culture sought balance between technocratic confidence in science and technology on one side and fear and anxiety over global annihilation on the other By analysing well known and rarely considered western manufacturers Westernwear revises the common perception that fashionable innovation came from the East coast and places western youth cultures squarely back in the picture The book connects the history of American working class dress with broader fashionable trends and discusses how and why Native American designs and representations of Native American people were incorporated broadly and inconsistently into the western visual vocabulary Setting westernwear firmly in context Sonya Abrego addresses the incorporation of this iconic style into postwar wardrobes and popular culture and charts the evolution of westernwear into a modern fashion phenomenon **Federal Register** , 1991-11 **Innovative Marketing Communications** Guy Masterman, Emma H. Wood, 2006 Provides students and event managers with complete insight into the strategic and innovative marketing of events of all scales and nature *Regulation of Cigarettes and Smokeless Tobacco Under the Federal Food, Drug, and Cosmetic Act: Final rule with jurisdictional determination* United States. Administration,1996 *Congressional Record* United States. Congress,1996 **Rodeo** Susan Nance,2020-04-23 What would rodeo look like if we took it as a record not of human triumph and resilience but of human imperfection and stubbornness asks animal historian Susan Nance Against the backdrop of the larger histories of ranching cattle horses and the environment in the West this book explores how the evolution of rodeo has reflected rural western beliefs and assumptions about the natural world that have led to environmental crises and served the beef empire By unearthing behind the scenes stories of rodeo animals as diverse individuals this book lays bare contradictions within rodeo and the rural West For almost 150 years westerners have used rodeo to symbolically reenact their struggles with animals and the land as uniformly progressive and triumphant Nance upends that view with accounts of individual animals that reveal how diligently rodeo people have worked to make livestock into surrogates for the trials of rural life in the West and the violence in its history Western horses and cattle were more than just props Rodeo reclaims their lived history through compelling stories of anonymous roping steers and calves who inspired reform of the sport such as the famed but abused buckner Steamboat and the many broncs and bulls famous or not who unknowingly built an industry Rodeo is a dangerous sport that reveals many westerners as people proudly tolerant of risk and violence and ready to impose these values on livestock In *Rodeo An Animal History* Nance pushes past standard histories and the sport s publicity to show how rodeo was shot through with stubbornness and human failing as much as fortitude and community spirit *Tombstone, Deadwood, and Dodge City* Kevin Britz,Roger L. Nichols,2018-08-23 Shootin Lynchin Hangin announces the advertisement for Tombstone s Helldorado Days festival Dodge City s Boot Hill Cemetery sports an authentic hangman s tree Not to be outdone Deadwood s Days of 76 celebration promises miners cowboys Indians cavalry bars dance halls and gambling dens The Wild West may be long gone but its legend lives on in Tombstone Arizona Deadwood South Dakota and Dodge City Kansas In *Tombstone Deadwood and Dodge City* Kevin Britz and Roger L Nichols conduct a tour of these iconic towns revealing how over time they became repositories of western America s defining myth Beginning with the founding of the communities in the 1860s and 1870s this book traces the circumstances conversations and clashes that shaped the settlements over the course of a century Drawing extensively on literature newspapers magazines municipal reports political correspondence and films and television the authors show how Hollywood and popular novels as well as major historical events such as the Great Depression and both world wars shaped public memories of these three towns Along the way Britz and Nichols document the forces from business interests to political struggles that influenced dreams and decisions in Tombstone Deadwood and Dodge City After the so called rowdy times of the open frontier had passed town promoters tried to sell these towns by remaking their reputations as peaceful law abiding communities Hard times made boosters think again however and they turned back to their communities rowdy pasts to sell the towns as exemplars of the western frontier An exploration of the changing times that led these towns to be marketed as reflections of the Old West *Tombstone Deadwood and Dodge City* opens an illuminating new perspective

Robert N. Proctor, 2012-02-28 The cigarette is the deadliest artifact in the history of human civilization. It is also one of the most beguiling thanks to more than a century of manipulation at the hands of tobacco industry chemists. In *Golden Holocaust*, Robert N. Proctor draws on reams of formerly secret industry documents to explore how the cigarette came to be the most widely used drug on the planet, with six trillion sticks sold per year. He paints a harrowing picture of tobacco manufacturers conspiring to block the recognition of tobacco cancer hazards, even as they ensnare legions of scientists and politicians in a web of denial. Proctor tells heretofore untold stories of fraud and subterfuge, and he makes the strongest case to date for a simple yet ambitious remedy: a ban on the manufacture and sale of cigarettes. **Striking at the Roots** Mark
