**Amazon Tap** John Slavio,2016-12-31 Amazon Tap 50% off for a limited period The Complete User Guide and Manual to Learn the Amazon Tap

Fast What is the Amazon Tap device Why should you consider purchasing one What makes the Amazon Tap different from other Amazon Alexa enable products If you have read the other manuals written on this subject you know that the Amazon Echo and Amazon Echo Dot are both devices that stay in one place while you are using them You can take them to a new place and use them there however they need to be connected to Wi fi in order to access Alexa and other features You will need to find a nearby plug the Echo and Echo Dot are not devices that can be used on the go The Tap is powered by its battery meaning that if it is charged you don t need to have it plugged in Because the Tap does not need to be plugged in and you can connect it to mobile hotspots you can virtually transport this device to any place you can get cellphone signal You can turn on your cellphone s mobile hotspot feature and connect your Tap to the hotspot This means that you can stream music on an excellent speaker when you are outside at the park at the beach at a picnic Your imagination is your limit Additionally because the Tap is built with Dolby the music does not get fuzzy when you turn it up Many speakers can become fuzzy and unclear the louder you turn up the volume The Tap keeps streaming your music clearly no matter how high you turn it If you specifically want to have Alexa in your devices but you also want to have a great speaker then you are left with the Amazon Echo and the Tap The Tap is the cheaper of those options giving you both a great speaker and the Alexa feature The Echo Dot gives you the Alexa feature but it does not have a music built for streaming music In this book you will learn What is the Amazon Tap Setting up the Amazon Tap Voice Control for Devices Using Music and Media on your Tap Using Tap in Your Daily Life Compatible Devices Basic Settings and Skills Advanced Settings and Skills Troubleshooting Guide Scroll up and download Tags Amazon Tap Amazon Tap Course Amazon Tap Book Amazon Tap User Guide Amazon Tap Book Course Amazon Tap for Beginners users guide amazon tap benefits voice command device amazon device home devices alexa alexa kit Alexa Skills Kit digital devices smart device multifunctional device beginners guide main functions personal control time management business device to do lists audiobooks amazon prime Alexa Voice Service tips and tricks Amazon Echo at home Amazon Tap functions tips and tricks home devices multifunctional device beginners guide main functions personal control time management business device to do lists audiobooks amazon prime ULTIMATE Guide for Beginners ULTIMATE Guide
