Liefeld, 2015-11-03 The NIV Application Commentary helps you communicate and apply biblical text effectively in today's context To bring the ancient messages of the Bible into today's world each passage is treated in three sections Original Meaning Concise exegesis to help readers understand the original meaning of the biblical text in its historical literary and cultural context Bridging Contexts A bridge between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible Contemporary Significance This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved This unique award winning commentary is the ideal resource for today's preachers teachers and serious students of the Bible giving them the tools ideas and insights they need to communicate God's Word with the same powerful impact it had when it was first written **Grasping God's Word, Fourth Edition** J. Eugene Soulsby, 2019-12-02 Christianity does not deny the Holy Spirit s existence and most Christians would confess they believe in the Spirit at least with their head and creed But few experience him in their daily walk or have a biblical understanding of who he is why he came and what his role is in the Christian life The Holy Spirit is a living presence a person and as such must be experienced not neglected within the church and the individual believer The crucial role of the Spirit in Paul s life thinking and theology was always that of the personal presence of God As a Christian a believing follower of Christ the Spirit is the empowering presence experienced in our lives as we await the perfect ending of the Kingdom of God **Grasping God's Word** J. Scott Duvall, J. Daniel Hays, 2012-05-08 Grasping God s Word has proven itself in classrooms across the country as an invaluable help to students who want to learn how to read interpret and apply the Bible for themselves The third edition revised based on feedback from professors will continue to serve college level students and lay learners well in their quest to gain a firm grasp on the rock of God s word Old Testament scholar J Daniel Hays and New Testament expert J Scott Duvall provide practical hands on exercises to guide students through the interpretive process To emphasize the Bible s redemptive arc and encourage correlation across the biblical canon the authors have included a call to Consult the biblical map How does a theological principle fit with the rest of the Bible as an additional step in the Interpretive Journey This edition has also been rearranged for clarity and includes updated illustrations appendices bibliography and assignments A robust suite of learning aids is available for purchase to be used alongside the textbook to help students excel in their studies These include a workbook video lectures for each chapter featuring the authors and a laminated quick study sheet with key concepts from the book *Transformational Prayers* Roger Hayes, 2011-03-18 This is an easy to read yet engaging book that helps you prayerfully read through the first eight chapters of Romans Pastor Roger N Hayes Transformational Prayers begins with a great little helper for prayer that everyone should read Then Roger takes you through a well done survey on the letter to the Romans The chapters of prayer illuminate Roger s heart as he has poured it

out while keeping true to Paul's themes throughout Brother Bill Sulzer In reading Roger's book of prayer I find myself living in his words I make his prayers my prayers I never knew that praying the Scriptures would improve my prayer life so much Tiffany J Hayes Buckle up Pastor Roger's book may take you into a new and dangerous place one that puts you in direct relationship with God almighty Chaplain Roger W Hayes *On the Writing of New Testament Commentaries* Stanley E. Porter, Eckhard J. Schnabel, 2012-09-28 The essays in *On the Writing of New Testament Commentaries* discuss historical hermeneutical methodological literary and theological questions that shape the writing of commentaries on the books of the New Testament While these essays honor Grant R Osborne they also represent the first sustained effort to systematically address commentary writing in the field of New Testament studies **A Popular Survey of the New Testament** Norman L. Geisler, 2014-09-09 Understanding the New Testament is a daunting but exciting task Our world is so different from that of the first century Yet it is important to understand the context and content of the New Testament if we are to be faithful followers Now in paper this survey addresses the who what where when why and how questions that readers of the Bible may have such as How can we tell if what is written in the New Testament is true history or just mythology When were these books written and why and What can today's believers get out of letters addressed to people who lived two millennia ago Written in an easy informal style this survey is accessible and enjoyable to anyone who wants to better understand the New Testament **The Paul-Apollos Relationship and Paul's Stance toward Greco-Roman Rhetoric** Corin Mihaila, 2009-06-25 Research into the social and rhetorical background of the Corinthian church shows that the Corinthians were evaluating their leaders based on their rhetorical prowess seeking to associate with those who would enhance their status and honour The coherence of Paul's argument in 1 Corinthians 1:4 is evaluated particularly by showing how Paul's discourse of the cross and Sophia relate to the issue of the dissensions in the Corinthian ekklesia Once demonstrated that there is a misunderstanding of wisdom amongst church leaders at the basis of the dissensions a redefinition of the wisdom offered in Corinthians is required In what could be considered the locus of Paul's theology of proclamation i.e. 1 Corinthians 2:1-5 he rejects any employment of worldly wisdom in his proclamation of the cross for theological reasons and will not allow himself or other leaders to be drawn into this game of personality cult and honour enhancement Such conclusions then raise the question of the role played by Apollos' name in Paul's argument against dissensions After a review of several possible views it is concluded based primarily on exegetical grounds and refusing to engage in hermeneutical speculations that Paul had a congenial relationship with Apollos If any distinction is drawn between the two it was solely the Corinthians' fault who viewed their preachers in competitive rather than complementary terms *Church Is Who We Are* Gerald Arthur Seale, 2024-09-26 *Church Is Who We Are* is an in depth look at church as people rather than just as institution or organization It starts with a broad definition of church moving to applications within modern society In an age when church is being marginalized in the West the book provides a clarion call for the people who are the church to function as church across

society It is almost a textbook on how to apply Christianity seven days a week recognizing that vocation of profession is where we are placed by God as a major part of our ministry unto him Scripture verses abound throughout the book giving the reader a sense of the biblical value of Christians themselves being the church and living out reality The author encourages every Christian to see their life as light and salt in the hands of the Holy Spirit to bring change in every situation The truths in this book will revolutionize lives Read ready to be challenged and changed **Soothing Aroma** Tyesha

Thompson,2023-10-25 What is the likelihood of being told God sees you in comparison to God smells you However the smell of a Christian s life is just as potent as behavior and appearance which is relative to a soothing aroma Soothing Aroma is a term used in the New American Standard Bible in correlation to the phrase sweet savior in the King James version It examines scriptural text about offerings that smelled pleasing to the Lord It is a theological thought with a prophetic sound into the disposition of the sacrificial system concerning burnt offerings The general intent of a soothing aroma was to appease God The type of sacrifice God deems valuable and costly is us His people as living sacrifices A live sacrifice rather than a dead one infuses the fragrance of Christ That is the soothing aroma that is pleasing to God Jesus is a true example to His followers of what classifies and extols authentic worship to God a valuable and costly sacrifice Christians give off the aroma of Christ as they surrender their lives to Christ as living sacrifices The Message of Spiritual Warfare Keith

Ferdinando,2016-10-20 This valuable exposition of the theme of spiritual warfare is in four sections The first is concerned with the nature of Satan and his activity in the world God has made The second examines the different dimensions of Christ s victory over Satan The third considers ways in which Christ s victory over Satan impacts God s people The final section looks at various areas in which believers must fight sin and Satan Two concluding chapters examine the weapons with which God equips his people for their spiritual warfare **When Wright is Wrong** Phillip D. R. Griffiths,2019-01-14 In today s world

the Christian is constantly being challenged with new teachings Some of these are particularly dangerous because they are put forward by those with evangelical credentials Tom Nicholas Wright is one of the leading proponents of the New Perspective on Paul Wright sees himself as the new Luther a discoverer of the true biblical understanding of key doctrines like that of justification by faith According to him the Reformation misunderstood the nature of justification by faith alone and the role of the law in the Old Testament Wright maintains that this has continued to be the case for those of the Reformed Faith He tells us that we are guilty of anachronism whereby we interpret first century Judaism in the light of medieval Roman Catholicism In this work the writer not only defends the Reformed understanding of this vital doctrine but also seeks to show how Wright has misunderstood the nature of the new covenant and the place of ethnic Israel **The Most Important**

Women of the Bible Aaron Sharp,Elaina Sharp,2017-10-17 Powerful Stories of Women in the Bible that Reveal God s Mercy and Love From well known women like Eve and Esther to those lesser known like Jochebed and Zipporah women of the Bible play a vital role in God s timeless story of redemption This book traces the stories of three dozen of the most important

women in Scripture each handpicked by God to play a crucial part in his gracious plan for all humanity Every chapter begins with a short biography followed by an explanation of how each woman fits into the overall narrative of the Gospel message pointing to God's love for the individual as well as his larger plan to redeem sinners through the sending of his son The Bible is the story of God's relationship with his people men women Jews Gentiles saints and sinners But this book reveals that it's also the story of his relationship with you

A Single Woman's Concerns and Struggles Dr. Bernadine C.

Johnson,2023-11-17 **A Single Woman's Concerns and Struggles** Reversing the Perception of Exclusion in the Church in the Twenty First Century and Beyond speaks to the many single separated single parent divorced and widowed women who have and are experiencing concerns and struggles that may lead to perceptions of exclusion in the church and community Each church holds various amounts of information from many sources that may assist single women in reversing the perception of exclusion but making the best use of these sources and resources can make a big difference in the life of a single woman Dr Johnson provides insights into the care concerns struggles and perceptions of exclusion and provides a mentoring guide in encouraging inclusion in the local church and community in the twenty first century and beyond

Domesticated Glory Gale Heide,2010-09-01 **Domesticated Glory** critically examines the marriage between Evangelicalism and American politics The study begins by engaging popular political pundits who wish to transform Christianity into an arm of the state It then moves to examine some of the theological foundations proposed as support for the church's propping up of American political ideology Finally the study provides a more robust politics of the church by outlining how the church might act as a politics in itself Thus the church may gain a political voice as church in such a way as to make the world know it stands in need of redemption This is a far cry from the liberal attempt of the Social Gospel and many modern evangelicals to transform the world into a pseudo church by cultural or social control Unlike attempts to engage culture on its own terms in the political arena or to escape politics by avoiding any public testimony to the Gospel this study lays out a way for the church to act as church in the public square witnessing to a Gospel concerned primarily about the universe's King and His future Kingdom

Reclaiming Your Identity Eric Wayman,2018-02-12 Who am I and what am I here for Our lives depend on how we answer that question It will affect everything from our career choices to the way we relate to God and others But where can we turn to find the answer Our friends Our job title Our relationship status Many of us base our identity off what we do or the number of likes we get on a post We constantly perform for other people's approval and then we wonder why we feel so exhausted and insecure But what's the alternative What if we allowed the One who created us to answer the question for us Eric Wayman a pastor professor and disciple invites us to pull away the masks we have been hiding behind and allow God to show us who we are and what he made us to do Its time to get real
