FCC Record United States. Federal Communications Commission, 2016. *Understanding the Business of Media Entertainment* Gregory Bernstein, 2019-05-28. This revised edition of *Understanding the Business of Media Entertainment* is an indispensable guide to the business aspects of the entertainment industry, providing the information you need to break in and to succeed. Written in a clear and engaging tone, the second edition of this book covers the essential topics in a thorough but reader-friendly manner and includes plenty of real world examples that bring business and legal concepts to life, such as the growing clout of digital companies and the rise of streaming providers like Netflix and Amazon; the transformation of independent film development and distribution; and changes to the media ownership landscape. Award-winning screenwriter and entertainment attorney Gregory Bernstein gives an insider's look at the filmmaking business, from copyright law and government media regulation to development, distribution, revenue, the role of agents, managers, and unions; entertainment contracts; and more. Other topics covered include Hollywood's growth and the current conglomerates that own most of the traditional media; how specific entertainment companies operate, including facts about particular studios and employee tasks; how studios develop projects and engage in marketing and distribution; the kinds of revenues studios earn and how they account for these revenues.

Media Ownership United States. Congress. Senate. Committee on Commerce, Science, and Transportation, 2006. *Competitive Strategy for Media Firms* Sylvia M. Chan-Olmsted, 2006-08-15. *Competitive Strategy for Media Firms* introduces the concepts and analytical frameworks of strategic and brand management and illustrates how they can be adapted according to the characteristics of distinct media products. Working from the premise that all media firms must strategize in response to the continuing evolution of new media, author Sylvia M. Chan-Olmsted offers applications of common business approaches to the products and components of the electronic media industry and provides empirical examinations of broadcast, multichannel media, enhanced television, broadband communications, and global media conglomerate markets. This insightful and timely volume provides a thorough review of current concepts and industry practices and serves as an essential primer for the application of business models in media contexts. As a realistic and integrated approach to media industry studies, this volume has much to offer researchers, scholars, and graduate students in media economics and management and will be an important reference for industry practitioners.

Broadcasting & Cable, 2009. *Direct Broadcast Satellite Service in the Multichannel Video Distribution Market* United States. Congress. House. Committee on the Judiciary, 2003. *The Political Economy of Sports Television* William M. Kunz, 2020-04-23. Drawing from theories of the political economy of communication, this book offers readers a comprehensive, data-rich assessment of

contemporary sports television and its evolution Providing an in depth look at the ownership and regulation of sports television in the United States William M Kunz analyzes a range of platforms networks and sports with particular focus on the way ownership has become concentrated in five conglomerates AT T CBS Comcast Disney and Fox The end result of years of media consolidation is that broadcast networks are now married to cable and streaming services under a single conglomerate which has implications for the cost of contracts and the negotiation of distribution deals Examining multiple platforms networks and sports in an all inclusive manner this volume documents the evolution and current state of affairs of sports television With historic and current data on rights fees for sports television leagues and events as well as carriage fees and subscription levels for sports related cable and satellite services this comparative study offers critical information for students and scholars conducting research on sports television
