

The Rocking-Horse Winner Literary Criticism

Objectives

- To produce an analytical research paper based on some insight gleaned from reading the short story, *The Rocking-Horse Winner*.
- To research an argumentative thesis through scholarly conversations with those who have written on the subject.
- To use reliable, relevant, and accurate sources.

Instructions

In addition to your own ideas about the author's style and message, you will research literary criticism. The type of criticism to deal with is written on or about an author or a piece of literature. It simply means that someone has provided a close analysis of the work. It is not a negative account of the writer or his work. You will need to read and incorporate the critics' views to support your thesis. Sources must be noted according to classroom guidelines, typed, double-spaced on a separate Works Cited page. Be certain to document each of your sources, including excerpts from the text.

Specific Requirements

1. Read and analyze the short story, *The Rocking-Horse Winner*.
2. Decide on and argue a thesis statement.
3. Read a minimum of three scholarly articles and/or literary criticisms by others regarding the work and author.
4. Read an alternative piece written by the author (can be an essay, an interview, etc.) that will help you analyze the work further.
5. Write an essay of approximately 500 to 750 words follow acceptable classroom documentation guidelines.
6. Typed, double-spaced, using a legible 12 pt font.

Suggested Essential Questions

- How does the author use literature to display humanity's struggle between the intellect of ideas and the beast of emotions?
- How much control do we have over the evil within us?
- Can a situation or circumstance corrupt us?
- How does society define and shape us?
- To what extent can you employ the concepts of Freudian psychoanalysis to understand the motivations of literary characters?

After Anderson Jamila Mikhail,2019-04-15 The day that Anderson brought a gun to school was the day Aly s life changed forever Her fellow classmates were murdered right before her eyes as her former best friend

embarked on the deadliest high school massacre since Columbine Now nearly two years later Aly sets foot in the halls that nearly cost her her life for the first time since the shooting ready to face her demons Unanswered questions linger anxiety abounds and flashbacks are frequent as Aly struggles to understand how Anderson could've mercilessly gunned down her friends and classmates and how she's not only going to forgive him but herself as well for the role she might have played in influencing his actions Was she to blame Did she have blood on her hands Could she have done something more Could anyone have done anything more Aly sets out to find the elusive answers to just that as she also attempts to rebuild the life that was shattered by gunfire that otherwise quiet Friday morning nearly two years prior Jamila Mikhail pens a story of tragedy in *After Anderson* Two years have passed since Aly Feldman's best friend Anderson Massey entered their high school and began shooting Twenty people paid with their lives for everyone's collective failure Aly remains tormented by the massacre She feels great remorse for all those who lost their lives especially Anderson Although she survived Aly lost her life that day as well Two years of therapy hadn't really helped and consumed with memories her recovery is unrealized The pain comes and goes but never leaves it has become part of her Yet it is time to somehow move forward time to return to Belden High School the place where her life changed forever On her return to school Aly discovers friendship and moral support from the Petrov twins Her new found friends become instrumental in bridging the gap between Aly's old life and a new one Is it really possible to have a life *After Anderson* After you survive Anderson Massey your life doesn't just pick up where it left off *After Anderson* by Jamila Mikhail wrenches your heart challenges your soul tests your personal morality and beliefs I totally agree with the author's statement in her commentary if it doesn't bother you there's something wrong We all need to learn to listen to the spoken and unspoken and really pay attention to those around us There were many aspects I admired even more that I appreciated and a few I could have done without The story is multi cultural a bit political honestly my patriotism was battered a bit yet very insightful There is no denying The universe with all of its flaws and disasters was so beautifully and intricately crafted This line continues to echo in my mind In saying that how does one enjoy a book about a mass shooting You don't but you do hope to gain an understanding of the cause of such a tragedy Jamila Mikhail reveals the trauma that lingers long after such a violent act *After Anderson* is the story of a survivor Written in the first person the heroine's thoughts and emotions are explicitly described thus felt Page by page her character grows and evolves beyond the tragedy She befriends an unlikely duo the twins who open her eyes change her perspective and encourage her to move forward One of the key elements within the narrative are the letters between Aly and Anderson they create raw realness and depth of soul The words exchanged in those passages are my favorite part of the story As the story concludes the denouement reveals that life truly goes on There is life *After Anderson* Reviewed by Cheryl E Rodriguez for Readers Favorite

D.H. Lawrence's Final Fictions Ben Stoltzfus, 2024-04-08 D H Lawrence's Final Fictions A Lacanian Perspective explores how literature thinks more specifically how the reading of fiction influences behavior Lawrence writes passionately about our alienation from ourselves from other people and from the cosmos He believes that we need to heed the voices of our unconscious and he shows us how to meld body and mind so that psychoanalytically speaking Id and Ego can come together In this endeavor there is a salient convergence between Lawrence's writings and those of Jacques Lacan the French psychoanalyst In this book Stoltzfus examines the poetics of seven major fictions that Lawrence wrote between 1925 and 1930 five productive years that are referred to as his fabulation period In each of the book's seven chapters in tandem with Lacan's writings Stoltzfus analyzes seven major characters four of whom move from alienation to the renewal of self and the cosmos He argues that Lawrence's fiction is simultaneously descriptive and prescriptive by showing us how to circumvent dysfunction Stoltzfus brings literature and psychoanalysis together in readings that are both aesthetic and epistemological They are recipes for curing the Anthropocene

Rhythmic Modernism Helen Rydstrand, 2019-01-24 Contrary to the common view that cultural modernism is a broadly anti mimetic movement one which turned away from traditional artistic goals of representing the world Rhythmic Modernism argues that rhythm and mimesis are central to modernist aesthetics Through detailed close readings of non fiction and short stories Helen Rydstrand shows that textual rhythms comprised the substance of modernist mimesis Rhythmic Modernism demonstrates how many modernist writers such as D H Lawrence Katherine Mansfield and Virginia Woolf were profoundly invested in mimicking a substratum of existence that was conceived as rhythmic each displaying a fascination with rhythm

both as a formal device and as a vital protean concept that helped to make sense of the complex modern world *Guide to British Prose Fiction Explication* Lynn Beene, 1997 *Reading Texts, Reading Lives* Daniel Morris, Helen Maxson, 2012-06-14

Our culture attempts to separate competing ideological factions by denying relationships between multiple perspectives and influences outside of one's own narrow interpretive community. The distinguished essayists in this volume find Daniel R. Schwarz's pluralistic self-questioning approach to what he calls reading texts and reading lives quite relevant to the current historical moment and political situation. A legendary scholar of modernist literature, Schwarz's critical principles are a healthy corrective to cultural hubris. The essayists treat works ranging from fictions by Joyce, Conrad, Morrison, and Woolf to the poetry of Yeats to Holocaust literature to the environmental writings of Wendell Berry to the photographs of Lee Friedlander. The authors focus on different works but they follow Schwarz in stressing formal elements most often associated with traditional realism while keeping an eye on historical and author-centered approaches. The essayists also follow Schwarz in their emphasis on narrative cohesion and in how they look for signs of agency among characters who possess the will to alter their fate even in a seemingly random universe such as the one depicted by Conrad. Readers with eyes to ethics and aesthetics follow Schwarz in encouraging a values-centered approach that leaves room for the reader to address the ways in which reading a text correlates to the reader's ability to find meaning and value in experience outside the text. Like Schwarz, the essays look for intentionality of authorial meaning rather than something called an author function as well as for the relationship between lived experience and the imagined world of the literary work rather than the endless semiotic play of an ultimately indecipherable text.
