Sage Act Owers Manual:

The Owner's Manual for Christians Charles R. Swindoll,2011-02-14 It s never too late Whether you re a new Christian or you ve walked the road for decades it s never too late to find the critical truths that make life make sense We often start out believing that common sense will be enough that we re prepared for the road ahead with our good values and quick thinking It doesn t take long to learn otherwise A broken friendship An obsessive career Financial distress Even empty success We come back to God searching for insight for hope And He provides Nothing can replace studying the Bible Best selling author and pastor Charles Swindoll has spent decades studying its pages and teaching its precepts But if sixty six books seem overwhelming The Owner s Manual for Christians is the perfect starting place a biblical summary of the major truths that anchor the Christian life From grace to freedom these chapters walk the reader through the keys to a life well lived drawn from the Creator of life itself Life is often confusing but it does not have to be impossible Read The Owner s Manual for Christians and find hope for the road ahead
