Jones, 2021-11-12 The Influence and Predictability of Socioeconomic Factors of the 2018 PARCC Middle School ELA Scores in New Jersey By Dr Charlene F Jones This quantitative research The Influence and Predictability of Socioeconomic Factors of the 2018 PARCC Middle School ELA Scores in New Jersey examines the predictive power of socioeconomic parental and school district factors on student academic achievement The combined influence of parent education with a bachelor s degree or higher and free and reduced price lunch factors demonstrate the highest statistical significance for predictability in this study All fundamental variables utilized support a greater discussion on how we as parents and educators can influence standardized test results and ensure local education policies and recommendations therein are research based and implemented effectively in diverse communities Particularly during this new era post pandemic we seek successful strategies to combat learning loss increase educational opportunities and predict where possible assessment results all in support of the future of public education *Scientific Influences on Early Childhood Education* Dominic F. Gullo, M. Elizabeth Graue, 2020-04-23 Scientific Influences on Early Childhood Education offers a new framework for examining the diverse scientific perspectives that shape early childhood education As the field takes on an increasing role in addressing children s educational developmental and environmental needs it is critical to more fully understand and appreciate the diverse scientific roots of contemporary early childhood education This edited collection brings together leading researchers to explain and unpack perspectives that are not often associated with early childhood education yet have made significant contributions to its development and evolution Essential reading for anyone working with young children this critical and insightful text illuminates the connections between our social values science and research in the field **Committee Meeting of Joint Committee on the Public Schools** New Jersey. Legislature. Joint Committee on the Public Schools, 2015 The School Reform Landscape Reloaded Christopher H. Tienken, 2020-10-30 The School Reform Landscape Reloaded More Fear Myths and Lies peels back the curtain of school reform to examine the tensions that exist between the democratic and equitable system of public education and the emerging dual system based on elite interests aimed at profit making and decreasing education equity The author takes in depth and controversial look at school reform since the launch of Sputnik I Education reform events proposals and policies are examined through the lens of progressivist philosophy and critical social theory Some of the issues and policies critiqued include the neoliberal corporate influence on education the Sputnik myth A Nation At Risk standardization charter schools and other relevant topics The author provides an evidence based view of the free market reform ideas and he pierces the veil of the new reform policies to find that they are not built upon empirical evidence

but instead rest solidly on foundations of myth fear and lies Ideas for a new set of reform policies based on empirical evidence and supportive of a unitary equitable and democratic system of education are presented *Committee Meeting of Senate Education Committee* New Jersey. Legislature. Senate. Committee on Education, 2014
