Performing Indigeneity Global Histories And Contemporary Experiences:

Performing Indigeneity Laura R. Graham, H. Glenn Penny, 2014-12-01 This engaging collection of essays discusses the complexities of being indigenous in public spaces. Laura R. Graham and H. Glenn Penny bring together a set of highly recognized junior and senior scholars, including indigenous scholars from a variety of fields, to provoke critical thinking about the many ways in which individuals and social groups construct and display unique identities around the world. The case studies in *Performing Indigeneity* underscore the social, historical, and immediate contextual factors at play when indigenous people make decisions about when, how, why, and who can be indigenous in public spaces. *Performing Indigeneity* invites readers to consider how groups and individuals think about performance and display and focuses attention on the ways that public spheres, both indigenous and nonindigenous ones, have received these performances. The essays demonstrate that performance and display are essential to the creation and persistence of indigeneity while also presenting the conundrum that in many cases, indigeneity excludes some of the voices or identities that the category purports to represent.

Hemispheric Indigeneities Miléna Santoro, Erick D. Langer, 2018-11-01 *Hemispheric Indigeneities* is a critical anthology that brings together indigenous and nonindigenous scholars specializing in the Andes, Mesoamerica, and Canada. The overarching theme is the changing understanding of indigeneity from first contact to the contemporary period in three of the world's major regions of indigenous peoples. Although the terms *indio*, *indigène*, and *indian* only exist in Spanish, French, and English respectively, because of European conquest and colonization, indigenous peoples have appropriated or changed this terminology in ways that reflect their shifting self-identifications and aspirations. As the essays in this volume demonstrate, this process constantly transformed the relation of Native peoples in the Americas to other peoples and the state. This volume's presentation of various factors—geographical, temporal, and cross-cultural—provides illuminating contributions to the burgeoning field of hemispheric indigenous studies. *Hemispheric Indigeneities* explores indigenous agency and shows that what it means to be indigenous was and is mutable. It also demonstrates that self-identification evolves in response to the relationship between indigenous peoples and the state. The contributors analyze the conceptions of what indigeneity meant, means today, or could come to mean tomorrow.

The Oxford Handbook of Dance and Politics Rebekah J. Kowal, Gerald Siegmund, Randy Martin, 2017 *The Oxford Handbook of Dance and Politics* presents cutting-edge research investigating not only how dance achieves its politics but also how notions of the political are themselves expanded when viewed from the perspective of dance.

Milestones in Dance History Dana Tai Soon Burgess, 2022-09-23 This introduction to world dance charts the diverse histories and stories of dancers and artists through ten key moments that have shaped the vast spectrum of different forms and genres that we see today. Designed for weekly use in dance history courses, ten chosen milestones move chronologically from the earliest indigenous rituals and the dance crazes of Eastern trade routes to the social justice performance and evolving online platforms of modern times. This clear, dynamic framework uses the idea of migrations to

chart the shifting currents of influence and innovation in dance from an inclusive set of perspectives that acknowledge the enduring cultural legacies on display in every dance form Milestones are a range of accessible textbooks breaking down the need to know moments in the social cultural political and artistic development of foundational subject areas **Indigenous Religion(s)** Siv Ellen Kraft, Bjørn Ola Tafjord, Arkotong Longkumer, Gregory D. Alles, Greg Johnson, 2020-06-24 What counts as indigenous religion in today's world Who claims this category What are the processes through which local entities become recognisable as religious and indigenous How is all of this connected to struggles for power rights and sovereignty This book sheds light on the contemporary lives of indigenous religion's through case studies from S'p'mi Nagaland Talamanca Hawai'i and Gujarat and through a shared focus on translations performances mediation and sovereignty It builds on long term case studies and on the collaborative comparison of a long term project including shared fieldwork At the center of its concerns are translations between a globalising discourse indigenous religion in the singular and distinct local traditions indigenous religions in the plural With contributions from leading scholars in the field this book is a must read for students and researchers in indigenous religions including those in related fields such as religious studies and social anthropology

Yabar David Lipset, 2017-03-27 This book analyses the dual alienations of a coastal group rural men the Murik of Papua New Guinea David Lipset argues that Murik men engage in a Bakhtinian dialogue voicing their alienation from both their own indigenous masculinity as well as from the postcolonial modernity in which they find themselves adrift Lipset analyses young men's elusive expressions of desire in courtship narratives marijuana discourse and mobile phone use in which generational tensions play out together with their disaffection from the state He also borrows from Lacanian psychoanalysis in discussing how men's dialogue of dual alienation appears in folk theater in material substitutions most notably in the replacement of outrigger canoes by fiberglass boats as well as in rising sea levels and the looming possibility of resettlement

Reinventing the Warrior Matthias André Voigt,2024-09-01 On February 27 1973 a group of roughly 300 armed Indigenous men women and children seized the tiny hamlet of Wounded Knee South Dakota at gunpoint took hostages barricaded themselves in the hilltop church and raised an upside down American flag Taking place at the site of the infamous massacre in 1890 the highly symbolic confrontation spearheaded by the American Indian Movement AIM ultimately evolved into a prolonged seventy one day armed standoff between law enforcement officers and modern day Indigenous warriors Among these warriors were Vietnam War veterans armed with Vietnam era equipment and weaponry By organizing in defense of the newly proclaimed Independent Oglala Nation the AIM activists at Wounded Knee linked their nationalist quest for sovereignty and self determination with a warrior masculinity they constructed from a mix of Indigenous cultures and contemporary cultural elements including the Black civil rights movement the counterculture of the 1960s and early 1970s and the antiwar movement As Matthias Andr Voigt shows the takeover of Wounded Knee was only one moment among many in the complex interplay between protest activism gender race and identity within AIM While AIM is widely recognized for its militancy and nationalism *Reinventing the Warrior* is the first

major study to examine the gendered transformation of Indigenous men within the Red Power movement and the United States more generally AIM activists came to regard themselves like their ancestors before them as warriors fighting for their people their lands and their rights They sought to remasculinize their Indigenous identity in order to confront hegemonic masculinities and by implication colonialism itself By becoming more manly Indigenous men challenged the disempowering nature of white supremacy Voigt traces the story of the reinvention of Indigenous warriorhood from 1968 to the takeover of Wounded Knee in 1973 and beyond His trailblazing work explores why and how Indigenous men refashioned themselves as modern day warriors in their anticolonial nation building endeavor thereby remaking both self and society

Refocusing Ethnographic Museums through Oceanic Lenses Philipp Schorch, 2020-04-30 *Refocusing Ethnographic Museums through Oceanic Lenses* offers a collaborative ethnographic investigation of Indigenous museum practices in three Pacific museums located at the corners of the so called Polynesian triangle Bernice Pauahi Bishop Museum Hawai i Museum of New Zealand Te Papa Tongarewa and Museo Antropol gico Padre Sebasti n Englert Rapa Nui Since their inception ethnographic museums have influenced academic and public imaginations of other cultural geographic regions and the often resulting Euro Americentric projection of anthropological imaginations has come under intense pressure as seen in recent debates and conflicts around the Humboldt Forum in Berlin Germany At the same time post colonial renegotiations in former European and American colonies have initiated dramatic changes to anthropological approaches through Indigenous museum practices This book shapes a dialogue between Euro Americentric myopia and Oceanic perspectives by offering historically informed ethnographic insights into Indigenous museum practices grounded in Indigenous epistemologies ontologies and cosmologies In doing so it employs Oceanic lenses that help to reframe Pacific collections in and the production of public understandings through ethnographic museums in Europe and the Americas By offering insights into Indigenous museologies across Oceania the coauthors seek to recalibrate ethnographic museums collections and practices through Indigenous Oceanic approaches and perspectives This in turn should assist any museum scholar and professional in rethinking and redoing their respective institutional settings intellectual frameworks and museum processes when dealing with Oceanic affairs and more broadly in doing the epistemic work needed to confront coloniality not only as a political problem or ethical obligation but as an epistemology as a politics of knowledge A noteworthy feature is the book s layered coauthorship and multi vocality drawing on a collaborative approach that has put the widespread philosophical commitment to dialogical inquiry into seldom practice by systematically co constituting ethnographic knowledge Further the book shapes an ethnographic kaleidoscope proposing the metaphor of the kaleidoscope as a way of encouraging fluid ethnographic engagements to avoid the impulse to solidify and enclose differences and remain open to changing ethnographic meanings positions performances and relationships The coauthors collaboratively mobilize Oceanic eyes bodies and sovereignties thus enacting an ethnographic kaleidoscopic process and effect aimed at refocusing ethnographic museums through Oceanic lenses
