Robin Quivers New Book

Sonja K. Foss, William Waters

Robin Quivers New Book:

Quivers Robin Quivers, 1995 In one of the most no holds barred memoirs you're likely to read Robin Quivers mystery woman of The Howard Stern Show strips off her mask along with her gloves From Robin's embattled childhood in black Baltimore through depression and despair to the height of broadcast fame as cohost of America's top rated radio show Quivers reveals the full intimate story of a passionate and often misunderstood personality Robin's thirteen year partnership with Howard Stern The King of All Media including their recent successful attempt to talk a listener out of killing himself is revealed in hilarious and profoundly personal detail Much more than a show biz autobiography Quivers is a vivid personal chronicle of the black experience and the universal struggle for female self worth as well as a rags to riches story in the grand tradition Holding absolutely nothing back Robin writes with the same warmth strength and candor that endear her to millions of fans Whether she's describing a boxing match a career crisis or a love affair gone bad she strikes a universal chord

The Vegucation of Robin Robin Quivers, 2013-10-08 Robin Quivers's New York Times bestselling vegan cookbook filled with more than ninety recipes Known for her levelheaded deadpan comebacks to Howard Stern's often outrageous banter Robin Quivers is a force of nature Yet few people know about her struggles with food especially the high fat high sugar high cholesterol highly addictive foods that doomed many of her relatives to obesity diabetes and heart disease Sick and tired of being sick and tired she knew it was time to stop her slow slide into bad health Quivers took a stand in her personal nutrition battle and emerged victorious thanks to a plant based diet On her sometimes rocky though endearingly hysterical path to newfound health Quivers discovered the power of the produce aisle in changing her body and her mindset By filling up on soul quenching cell loving vegetables instead of damaging animal products and processed foods Quivers left behind the injuries aches and pains that had plagued her for twenty years Charting her inspiring road to wellness The Vegucation of Robin describes her transformation inside and out and including ninety of her favorite vegan recipes she encourages readers to join her in putting their health first With her signature humor and wit Quivers builds an undeniable case that the key to living the life you've always wanted lies not with your doctor but in your refrigerator Putting a new face on the pro veggie movement Quivers will dazzle readers who want to look good feel good and have fun doing it
