At beginning of summer I went to his new office to set up some new computers and printers. It took me about two week before I was complete Ely finished with the setup and the installation. After I was finished with the setup. Went to do some shopping for myself . When I was done went back to the office the next day to help my uncle finding new listing of houses. I started listing house for new customer a ND investors. And was officially started my study. The most exciting part about my summer was to find the house that will be moving in. There was a lot of listing of house. It spend about a month Leki Eng for new available houses for sale. And I also spend a lot of time going into houses that are for ale in Michigan.

Choosing houses can be a headache because you have to do background check in every single one of them you see. I didn't really have a g DOD summer, but I was happy about the new house. And finally there a was house that found that everybody in my family really liked. And now it was almost end of s mummer and I was getting worried about school. This was also the summer with the most responsibilities that I had. In conclusion my summer vacation went very well. There was a lot of work on responsibilities. Enjoyed working with my uncle.
