This special omnibus edition contains books one to three in the internationally bestselling Jeremiah Hunt urban fantasy series

Eyes To See I gave up my eyes to see more clearly Harvard professor Jeremiah Hunt's life fell apart in the wake of his daughter's disappearance His obsessive search for her cost him his wife his job and his reputation And now thanks to a Faustian bargain he makes with the empty eyed and enigmatic Preacher it takes his sight as well In return he's granted the gift of seeing what others cannot ghosts and other supernatural creatures of the night With the help of his ghostly companions Whisper and Scream he embarks on a new career banishing malevolent spirits that torment the living while continuing his search for clues to Elizabeth's fate What begins as a search for his daughter turns deadly when a particularly cunning foe lays a trap that ends with Hunt accused of a series of brutal murders Now Hunt must fight not only to save his daughter's life but his own as well against a dark and ageless foe that would use a father's love to set itself free King of the Dead Life as an interstate fugitive isn't easy especially when the dead are determined to track you down Jeremiah Hunt sacrificed his sight in an arcane ritual that gave him the power to see the hidden world of ghosts and darker creatures that exist alongside us In doing so he uncovered a world of murder and magic that all but cost him his life Now Hunt is on the run from the FBI who are convinced he's the mass murderer known as the Reaper Getting out of town seems like a good idea so when his companion Denise Clearwater a powerful witch begins have visions of the city of New Orleans under supernatural siege he's all for checking things out in person and trying to help But once they arrive they quickly discover that the situation is far more dangerous than they could have imagined from afar Not only is New Orleans at risk from a terrifying attack by forces from beyond the grave but should the city fall the world itself may very well follow It's up to Hunt Clearwater and their shape shifting friend Dmitri Alexandrov to turn back the army of Death himself before it is too late Watcher of the Dark That night I discovered the monsters in our world and they in turn discovered me New Orleans was nearly the death of Jeremiah Hunt Getting shot by the FBI was bad enough but it paled in comparison to the soul searing journey through the realm of the dead that followed Never mind Hunt's do or die confrontation with Death himself Hunt survived but doing so caused its own host of problems An arcane ritual needed to reclaim the soul of the beautiful hedge witch who previously saved Hunt's life goes awry forcing him on the run once more this time to Los Angeles In the city of angels Hunt must contend with one of its far too numerous devils the magister Carlos Fuentes who thinks Hunt can provide him with the mystical key that opens the gates to Hell itself By threatening Hunt's beloved companions Fuentes forces him to join his dread quest Having the Preacher show up and call in his marker for helping Hunt in New Orleans just puts icing on the cake But Hunt's learned a thing or two in the months since his life was hijacked by his ill considered devil's bargain and he has no intention of going down without a fight

Edward Thomas: Prose Writings: A Selected Edition Edna Longley,2023-10-12 Edward Thomas can be seen as the most important poetry critic in the early twentieth century Thomas was a prose writer before he was a poet The Selected Edition of his prose and especially this volume shows that he was also a critic before he was a poet His unusual literary career opens up key questions about the relation between poetry and criticism as well as between poetry and prose Thomas wrote books about poetry but his criticism mainly took the form of reviews He reviewed collections editions and studies of poetry most regularly for the Daily Chronicle and the Morning Post These reviews amount to a unique commentary on the state of poetry and of poetry criticism after 1900 Since reviewing provided Thomas s main income he also reviewed other kinds of book Hence the sheer mass of his reviews the stress he suffered as a literary journalist Yet his criticism maintains an astonishingly high standard Thomas s response to contemporary poetry intersects with his readings of older poetry No critic or poet of the time was so deeply acquainted with the traditions of English language poetry or so alert to new poetic movements in Ireland and America Edward Thomas s writings on poetry have a double importance Besides suggesting the hidden evolution of his own aesthetic they constitute a lost history and critique of poetry before the Great War They change our assumptions about that period Thomas s perspectives on poets such as Yeats Hardy Frost Lawrence and Pound illuminate the making of modern poetry
