The Theatre of Kander and Ebb Robert Gordon, 2025-07-24 Discover John Kander and Fred Ebb the most artistically and commercially successful musical theatre writing team since Rodgers and Hammerstein in a brand new way Identifying the theatrical approach that renders their musical dramaturgy unique this book explores their importance within and contribution to musical theatre history Through their biggest hits Cabaret 1966 and Chicago 1975 Kander and Ebb have been performed on the stage more times both within and outside of the USA than any other American musical theatre writers Unlike Sondheim whose work from 1964 increasingly aspired towards the avant garde Kander and Ebb located their projects in a nexus between art and commercial entertainment seeking to deconstruct popular forms in order to expose their ideological function This book investigates the full range of Kander and Ebb's collaboration from the pure comic entertainment of 70 Girls 70 1971 and Curtains 2006 to more overtly serious musicals such as Kiss of the Spiderwoman 1992 The Scottsboro Boys 2010 and The Visit 2014 which were less commercially successful precisely because they addressed disturbing subjects It explores how the difficult material inspired beautiful though challenging scores It also probes how the ironic counterpointing of luscious music with witty and demotic lyrics challenges the desire of a Broadway audience for escapist entertainment devoid of critical self reflection in order to create complex yet popular masterpieces of the genre This is the first volume to explicitly analyse the recurrent theatrical tropes and dramaturgical forms in Kander and Ebb's musicals offering an in depth introduction to their oeuvre

The Resurrection and Immortality William

West,2006-08 THE RESURRECTION AND IMMORTALITY Is man born with an immortal soul or do the saved put on immortality at the resurrection This is one of the most important questions of all times It has more influence on our conception of our nature our view of life in this world and life after death the nature of God than any other question The resurrection and an undying immortal soul are not compatible If one is true then the other one cannot be YOUR WHOLE THEOLOGY what you believe IS DETERMINED BY YOUR VIEW OF THE SOUL Not only does man now having an immortal soul make the resurrection impossible it makes the judgment be passed and the second coming of Christ pointless for there could not be a resurrection or a judgment at His coming The resurrection doctrine of unconditional immortality are contradictory to each other You must choose one or the other You cannot believe both Christ taught the resurrection It is our only hope of life after death not now having immortality and never dying The undead cannot be raised If the soul is immortal and never dies there cannot be a resurrection of those not dead If there is to be a resurrection of the dead the dead cannot be alive cannot be living immortal souls The doctrine of unconditional immortality Changes the nature of God makes Him cruel and sadistic Changes the message we preach to the lost and their fate whether they will have an eternal life with torment or a second death form which there will never be a resurrection Changes the nature of man whether he is now mortal or immortal Changes the nature of the resurrection of Christ whether He was dead and raised by God or only His earthly body was dead and He just came back from Heaven to it Changes the nature of our resurrection whether we are dead and resurrected or just come back from somewhere The resurrection an immortal soul The wages of sin is death the wages of sin is an eternal life of torment
