Leadership Mosaic Daniel Montgomery,Jared Kennedy,2016-10-13 There s a leadership crisis in the church Every leadership model claims to have all the answers to the challenges of leadership Each perspective emphasizes certain qualities and we search desperately for answers in the absence of clear direction But there s no simple leadership formula that meets every need we have in life and ministry Challenging the conventional wisdom about what makes for a good leader Daniel Montgomery calls us to a countercultural perspective on leadership rooted in our Creator He presents a new framework for leadership not just a beckoning to further pragmatism relentless productivity or a reactionary cultural fad He helps us see leadership as a mosaic of five characteristics conviction creativity courage collaboration and contemplation reflective of the very image of the triune God Armed with this perspective we will be able to see strive after and celebrate the great and complex vision of leadership God has called us to for the flourishing of our homes churches and workplaces

The Search for Why Bob Raleigh,2021-01-19 EVER WONDERED WHY PEOPLE REALLY DO WHAT THEY DO AND WHAT WE COULD ACCOMPLISH IF WE ONLY KNEW We need a clear eyed look at what s happening in society right now Misinformation fake news and politicization is affecting how we as a society come to grips with a global pandemic economic inequality and racial injustice If we are to mend the divides between us and grapple with the challenges before us we need first to understand the why In The Search for Why Bob Raleigh provides a new model for how to understand human behavior the fundamentals of why we do what we do He draws on his experience in market research and public communication strategy and combines that with research in the social sciences like psychology cognitive and behavioral sciences and anthropology The Search for Why covers topics like Why so frequently people seem to act against their own best interests both in politics and their personal lives How to better communicate with one another across political and cultural divides How to craft persuasive messages that meet people where they are and listen to what they are saying back Ways you can apply this model to help build a better world at a personal social and global level What influences our decisions even when we don t realize it For anyone looking to persuade people heal divisions or build better relationships The Search for Why is a crucial step in the right direction
