

Dear [Name],

Thank you for trying out for the [Team Name] team. I'm sorry to inform you that you didn't make the team this year. We had a lot of wonderful, qualified players, and unfortunately cuts had to be made.

We appreciated your hard work and dedication, so I'd like to encourage you to keep practicing, work on your [skill], and try out again next year.

Thank you again for coming out and displaying such tenacity and effort. We look forward to seeing you again.

Sincerely,

## **Rejection Letter Sports Tryouts:**

*Identity and Myth in Sports Documentaries* Zachary Ingle, David M. Suter, 2013 Nonfiction films about sports have been around for decades yet few scholarly articles have been published on these works. In *Identity and Myth in Sports Documentaries* editors Zachary Ingle and David M. Suter have assembled a collection of essays that show how myth and identity, national, religious, ethnic, and racial, are constructed, perpetuated, or questioned in documentaries produced in the United States, France, Australia, Germany, and Japan. This collection is divided into three sections. *American Identity and Myth* contains essays on consumerism, religion in sports, and post 9/11 America. *Race and Ethnicity* examines the ways in which African American, Mexican American, and Jewish identity are portrayed in the documentaries under discussion. *Global Perspectives* features films and TV series produced outside of the United States or those that provide perspectives on the international sport scene. Spanning several decades, the landmark documentaries discussed in this volume include *Hoop Dreams*, *The Endless Summer*, *The Life and Times of Hank Greenberg*, *Olympia*, and *Tokyo Olympiad*, and address such subjects as baseball, football, basketball, boxing, soccer, surfing, and the Olympics. The essays pose such questions as: How are notions of the American dream involved in athletes' aspirations? How do media texts from Australia or France construct Australian and French identity, respectively? How did filmmakers such as Leni Riefenstahl, Kon Ichikawa, and Bud Greenspan infuse their Olympic documentaries with national ideology, despite being intended for an international audience? By tackling these subjects, *Identity and Myth in Sports Documentaries* is an intriguing read for scholars, students, and the general public alike.

**Gender and Genre in Sports Documentaries** Zachary Ingle, David M. Suter, 2013 Nonfiction films about sports have been around for decades, but the previously neglected subgenre of the documentary has become increasingly popular in the last several years. Despite such recent successes as *Senna*, *Undeclared*, and ESPN's 30 for 30 series, however, few scholarly articles have been published on these works. In *Gender and Genre in Sports Documentaries*, editors Zachary Ingle and David M. Suter have assembled essays that examine the various aspects of this art form. Some address questions of gender and sexuality, specifically how masculinity and homosexuality are represented in sports documentaries. Others focus on the characteristics of these films, exploring aspects of aesthetics and narrative. In addition to chapters on basketball, football, baseball, boxing, tennis, and auto racing, this collection features marginalized sports like quad rugby, pro wrestling, live action role playing, LARPing, and bodybuilding. Some of the films described will be familiar to readers, such as *Murderball* and *Bigger Stronger Faster*; others are less well known yet important works worthy of scrutiny. Questions about gender, sexuality, and masculinity remain hot topics in sports discourse, and this collection tackles those subjects, making *Gender and Genre in Sports Documentaries* an intriguing read for scholars, students, and the general public alike.

*Man Versus Ball* Jon Hart, 2013-05-31 Jon Hart is not a professional athlete. His one major sports victory is a world championship in roller basketball, which is basketball on inline skates. More than ten years ago he started pursuing his own bucket list and

embarked on a hilarious and insightful journey into the furthest reaches of the sports world      **Will Your Way Back** James H.
