[LGBTQIA+ Inclusive Children's Librarianship](#) Lucy Santos Green,Jenna Spiering,Vanessa Lynn Kitzie,Julia Erlanger,2022-05-16 This book breaks new ground offering school and public librarians serving children in grades K 8 a roadmap for implementing and upholding queer inclusive programs policies and services School and public librarians are serving ever greater numbers of LGBTQIA children and families Transgender children may begin to express a strong sense of gender identity as early as 2 3 years of age Children are also identifying as gay much sooner than earlier generations often between the ages of 7 and 12 Additionally more children than ever before are living with LGBTQIA caregivers In seeking to make our programs and services inclusive and equitable for these growing populations librarians may court controversy and face community backlash from patrons who feel queer inclusive content is inappropriate for young children This book codifies a set of best practices for librarians as they rise to this challenge defining queer inclusive programs identifying potential barriers to implementation and offering strategies and resources to overcome them Resources for Additional Support

The ABC's of Bullying Prevention Kenneth Shore,2011-04-08 In order to make meaningful and lasting progress in preventing incidents of bullying schools need to implement school wide anti bullying programs in which staff students and parents are all committed participants This type of wide ranging bullying prevention program which addresses school climate and culture has been found to be most effective

way of significantly reducing school bullying making schools safer for all children The book consists of nine chapters organized as follows Bullying An Overview understanding bullying forms of bullying effects of bullying bullying myths signs of bullying understanding the bully the victim and the bystander Cyberbullying new to the 2011 revised edition A comprehensive program to prevent bullying step by step guidance on building an effective program The roles of the school administrator The role of the teacher The role of the paraprofessional or teacher aide The role of the parents Bullying A Call to Action Bullying Resources This resource can be a major tool in the reduction and ultimate elimination of one of the most devastating and insidious problems facing our schools today Queer Justice at School Elizabeth J. Meyer, Much change is needed to make school communities more affirming and inclusive of gender and sexual diversity This timely book is written for secondary students and their adult allies who are working to make schools more supportive of lesbian gay bisexual transgender queer intersex asexual people and families Grounded in scholarship the text offers information ideas guidelines inspiration and resources to support grassroots efforts to envision and build more just and liberatory school communities The author shares case studies of youth activism and profiles of these LGBTQIA activists to show what is possible when young people take action to improve their communities Meyer explicitly acknowledges the diversity of the LGBTQIA community and discusses working in coalitions to address related forms of injustice including racism and white supremacy ableism colonialism classism as well as biases around religion immigration status language and culture This hands on guide is readable and accessible for use in extracurricular clubs or as classroom assignments in grades 6 12 Book Features Written in a language appropriate for students and adults working together in student clubs like GSAs or after school community centers Provides figures and activities that can be used to guide action planning Demonstrates that some of the best change happens when it is led by youth Moves away from the dominant discourse that focuses on harm reduction risk narratives and reducing bullying and harassment Includes a chapter that discusses relevant laws and policies Offers a companion website that provides updated links and resources for readers **LGBT-Parent Families** Abbie E. Goldberg, Katherine R.

Allen, 2012-10-12 LGBT Parent Families is the first handbook to provide a comprehensive examination of this underserved area Reflecting the nature of this issue the volume is notably interdisciplinary with contributions from scholars in psychology sociology human development family studies gender studies sexuality studies legal studies social work and anthropology Additionally scholarship from regions beyond the U S including England Australia Canada and South Africa is presented In addition to gender and sexuality all contributors address issues of social class race and ethnicity in their chapters
