Bell,2020-02-20 By the end of the twentieth century there were some half million tractors on British farms more machines
than people to drive them Brian Bell s encyclopaedic book traces the evolution of the farm tractor from the days of starting
handle and pan seat to current 4 wheel drive machines with air conditioned cabs and computer management systems He
deals in particular with developments of the classic period from the 1950s to the 1990s The book is arranged alphabetically
by manufacturer from Allis Chalmers to Zetor one hundred marques in total These are all machines to be found on British
farms irrespective of their country of manufacture Brian runs concisely through the histories of the companies and their
major models illustrated with a wealth of photographs and extracts from sales literature He adds some special features on
items such as hydraulic systems and cold starting aids He includes a glossary and full index This book replaces the author s
earlier successful Fifty Years of Farm Tractors Many of the photographs are new and the text has been brought up to date to
include developments of the early twenty first century **Forty Years with Ford Tractors** David Pearson,2019-10-01 David
Pearson spent more than four decades working for Ford s tractor business starting on the production line at the maker s
Dagenham factory before moving to the Basildon tractor plant opened in 1964 He went on to become the maker s UK sales
manager and earned a reputation among farmers and dealers as the man who knew all there was to know about Ford
tractors Along the way he was involved in the development of some of the most famous machines to bear the blue livery from
the Dexta to the 7000 and the FW articulated tractors to the 7810 Edited by agricultural journalist Martin Rickatson Forty

Years with Ford Tractors builds on a series of recollections which originally featured in Classic Tractor magazine and includes additional material to tell David's fascinating story in full. It includes a comprehensive selection of black and white and colour photographs many of which have never before been published and will be of interest to all Ford fans and tractor fans more generally.
