The Copyeditor's Handbook Amy Einsohn, Marilyn Schwartz, 2019-05-14 Unstuffy, hip and often funny, The Copyeditor's Handbook has become an indispensable resource both for new editors and for experienced hands who want to refresh their skills and broaden their understanding of the craft of copyediting. This fourth edition incorporates the latest advice from language authorities, usage guides and new editions of major style manuals including The Chicago Manual of Style. It registers the tectonic shifts in twenty-first century copyediting: preparing text for digital formats using new technologies; addressing global audiences; complying with plain language mandates ensuring accessibility and serving self-publishing authors and authors writing in English as a second language. The new edition also adds an extensive annotated list of editorial tools and references and includes a bit of light entertainment for language lovers such as a brief history of punctuation marks that didn't make the grade, the strange case of razbliuto and a few Easter eggs awaiting discovery by keen-eyed readers. The fourth edition features updates on the transformation of editorial roles in today's publishing environment; new applications, processes and protocols for on-screen editing; major changes in editorial resources such as online dictionaries and language corpora; new grammar and usage authorities; online editorial communities and web-based research tools. What Can You Do with Your Bible Training? Brandon C. Benziger, Adam W. Day, 2023-06-23 Employment in the field of biblical studies has changed significantly in recent years and the coronavirus pandemic has only exacerbated the resulting challenges. The purpose of this anthology is to inform and inspire evangelical students and graduates of biblical studies programs about the wide variety of training-related vocational paths they can pursue, both conventional and unconventional. The book does this by listing and categorizing twenty-five relevant pathways, sharing the stories and insights of insiders within each pathway and calling for further creativity in putting one's biblical training to work. Each contributor shares 1) how they settled into their represented occupation, 2) the ways in which they have used their biblical training in that occupation, 3) the joys and trials of their work, and 4) advice for those who would like to follow in their footsteps. The volume stands in the tradition of several nuts-and-bolts-like resources within the guild, e.g. Nijay Gupta's *Prepare, Succeed, Advance* and Ben Witherington's *Is There a Doctor in the House?* and it seeks to
