Unlike most school exams which are merely a test of memory and presentation, the quality competitive exams like IIT-JEE test the student's underlying concepts and his/her ability to apply these to new situations and problems. The Foundation course at BT is thoughtfully designed to help students crack these exams. The P/C/M lectures and the corresponding assignment sheets are carefully planned to help early generation of interests in these subjects. The logic lectures further facilitate in developing the students' analytical thinking and problem-solving abilities.
