ITIL® Release, Control & Validation

Course Description:

ITIL is comprised of five core publications: Service Strategy, Service Design, Service Transition, Service Operations and Continual Service Improvement, promoting alignment with the business as well as improving operational efficiency. The official ITIL® qualification scheme describes two streams, the Service Lifecycle Stream and the Service Capability stream.

The Service Lifecycle stream focuses on ITIL practices within the Service Lifecycle context. The prime focus is the Lifecycle itself as well as the process and practice elements used within it.

The Service Capability stream is for those who wish to obtain an in-depth understanding of ITIL processes and roles. Attention to the Service Lifecycle is illustrated as part of the curriculum but the primary focus is the on the process activities, execution and use throughout the Service Lifecycle.

The ITIL® RCV (Release, Control & Validation) course is part of the ITIL® Intermediate Capability certification stream. The course prepares candidates to take the ITIL® Release, Control & Validation Intermediate exam as well as providing valuable knowledge that can be implemented in the workplace.

Course and Learning Objectives:

At the end of this course, you will learn:

- The concept of Service Management as a practice
- The purpose, goal and objectives of the Change Management Process
- The purpose of the SACM process and the goal of Configuration Management
- The use of a Configuration Management System (CMS), and its major components, in supporting the effective execution of SACM process
- The purpose, goal, objectives and scope of the RDM process
- The purpose, goal and objectives of the SVT process
- The purpose, goal, objectives and scope of the KM process
- The purpose, goal, objectives and scope of the Service Evaluation process
- The purpose and scope of the Request Fulfilment process

Course Approach:

Participants will learn the principles and core elements of the Service Capability approach to IT Service Management as well as focusing on the processes & roles, activities and their execution throughout the Service Lifecycle. An interactive approach is used combining lecture, discussion and case study experience to prepare participants for the ITIL Intermediate Release, Control & Validation certification exam as well as providing valuable practical knowledge that can be rapidly applied in the workplace. Quint Wellington Redwood's integrated case study deepens the participant's appreciation of how ITIL best practices can be applied in order to improve IT performance. Practical assignments are used throughout the course to enhance the learning experience.

Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Release Control And Validation Book By Derecho Internacional has opened up a world of possibilities. Downloading Release Control And Validation Book By Derecho Internacional provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Release Control And Validation Book By Derecho Internacional has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Release Control And Validation Book By Derecho Internacional. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Release Control And Validation Book By Derecho Internacional. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Release Control And Validation Book By Derecho Internacional, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves,

individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Release Control And Validation Book By Derecho Internacional has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
