

Tennessee RTI² Model

Guiding Principles

- ▶ Leadership
- ▶ Culture of Collaboration
- ▶ Prevention & Early Intervention

TIER I All 80–85%

ALL students receive research-based, high quality, general education instruction using Tennessee State Standards in a positive behavior environment that incorporates ongoing universal screening and ongoing assessment to inform instruction.

TIER II Some 10–15%

In ADDITION to Tier I, interventions are provided to students that fall below the 25th percentile on universal screening and are struggling academically and/or behaviorally. Research-based interventions will be provided to students within their specific area(s) of deficit. These students are progress monitored using a tool that is sensitive to change in area of deficit and that provides a Rate of Improvement (ROI) specific to the individual deficit.

TIER III Few 3–5%

In ADDITION to Tier I, interventions are provided to students who have not made significant progress in Tier II, are 1.5-2.0 grade levels behind or are below the 10th percentile. Tier III interventions are more explicit and more intensive than Tier II interventions. Research-based interventions will be provided to students within their specific area(s) of deficit. These students, who are struggling academically and/or behaviorally are progress monitored using a tool that is sensitive to change in area of deficit and that provides a Rate of Improvement (ROI) specific to the individual deficit.

Rti2 Manual For Tennessee:

Reforming the Reform Susan L. Moffitt, Michaela Krug O'Neill, David K. Cohen, 2023-08-18 School reforms are almost always born out of big dreams and a well meaning desire to change the status quo the American education system as we know it was the product of such a reform But between the lawmakers who spearhead these changes and the students whose education is at stake there are countless teachers principals administrators and local politicians and correspondingly countless ways that things can go sideways In *Reforming the Reform* political scientist Susan Moffitt education scholar Michaela O'Neill and the late policy and education scholar David K Cohen take on a wide ranging examination of the nitty gritty of school reform They focus especially on mezzo level actors but the countless school superintendents principals and teachers figuring out how to apply a new policy in the unique context of their district or school They conducted more than 250 interviews with mezzo level administrators in Tennessee and California chosen as contrasts for their different political makeup and centralization of the education system between 2016 and 2020 ending their data collection as schools were going virtual at the beginning of the pandemic They also collected survey data from across the US Finally they turned to archival data dating to the earliest American educational reform the creation of a centralized national education policy Taken together this data demonstrates an impressive ambition to identify common problems that arise when a general policy is implemented in a local context The framework provides a general explanation for problems facing social policy reforms in federalist systems including healthcare and offers pathways forward for education policy in particular *Mislabeled as Disabled* Kalman R. Hettelman, 2019-03-14 Kalman R Buzzy Hettelman exposes the educational abuse suffered by tens of millions of struggling learners including many who are Mislabeled as Disabled and dumped into special education The majority of these students are not disabled in any medical or other clinical sense Rather in violation of federal law they fail to receive proper instruction and fall farther behind suffering stigma and segregation Hettelman also shows how teachers are undervalued heroes denied the teaching tools to do the job right and like students are victimized by the system This book is a call to everyone to become enraged and then engaged in the struggle for reform **Examining Response to Intervention (RTI) Models in Secondary Education** Epler, Pam, 2015-07-25 Response to Intervention RTI is an intervention model designed to assist all students regardless of their academic ability It seeks to assist students who are struggling in academics by providing them with targeted assistance in the form of tutoring pull out services and differentiated classroom instruction *Examining Response to Intervention RTI Models in Secondary Education* highlights the application of the RTI model to secondary schools through instructional strategies and real world examples of how this model can be used at the middle and high school levels Through a series of informative and timely chapters written by global educational specialists this publication is ideally designed for use by middle and high school teachers and school administrators as well as professors and students in upper level Educational Leadership and Secondary Education programs **Tennessee Manual for Drivers**
