How to Fish Christopher Yates, 2007-05-31 Sitting on a riverbank with rod and line must count as one of the most relaxing and enjoyable yet occasionally frustrating experiences known to man Chris Yates discovered the joys of fishing early in life and was quickly hooked by its pleasures Many years later he is still content to sit day after day observing the quirks of different fish and losing track of time For him fishing is much more than just a question of technique sometimes it s about listening to nothing but your instincts and at other times it s about enjoying the perfect cup of tea And it s always about not knowing how the day is going to unfold There s no better guide for the uninitiated and no better companion for those already familiar with the satisfactions of fishing than Chris Yates And immersing yourself in *How To Fish* is almost as delightful an activity as fishing itself
