Running On Empty :

Running on Empty Peter G. Peterson, 2004-08-01 When Bush came to office in 2001 the 10 year budget balance was officially projected to be at a surplus of 5.6 trillion. But after three big tax cuts, the bursting of the stock market bubble and the devastating effects of 9/11 on the economy, the surplus has evaporated and the deficit is expected to grow to 5 trillion over the next decade. The domestic deficit is only the half of it. Given our 500 billion trade deficit and our anemic savings rate, we depend on an unprecedented 2 billion of foreign capital every working day. If foreign confidence were to wane, this could lead to the dreaded hard landing. Peter G. Peterson, a lifelong Republican, chairman of the Blackstone Group and former secretary of commerce under Nixon, shatters the myths with hard facts and a harrowing view of the twin deficits' real impact. Republicans and Democrats alike have mortgaged America's future through reckless tax cuts, out of control spending and Enron style accounting in Congress. And the situation will only get worse as the Baby Boom generation begins to retire, making unprecedented demands on entitlement programs like Social Security and Medicare. Despite what Bush says, we are on a path that could end in economic meltdown and we simply cannot grow out of the deficit. In *Running On Empty*, Peterson sounds the warning bell and prescribes a set of detailed solutions which, if implemented early, will prevent the need for draconian measures later. He takes us behind the politicians' smoke and mirror games and forcefully explains what we must do to rescue the future of our country.

Running on Empty Ken Casper, 2008-11-01 NASCAR crew chief Hugo Murphy could never forget Sylvie Ketchum, especially since he only had to look at her daughter to be reminded of the woman he'd loved. But she'd deserted him and Kim without a word, shattering their hopes and dreams. Nothing could fill the void except NASCAR. Years ago, Sylvie had loved Hugo with all the fiery impetuosity of youth. But she'd had a secret that had torn them apart. Now she had a chance to atone for her mistakes and save the life of the child she'd left behind. But doing so meant dealing with her ex-husband Hugo again and having the strength to finally tell him the real reason she'd left him and the world of NASCAR behind.
