The Most Dangerous Man in America John K. Wilson, 2025-10-16 John K Wilson the author of President Trump Unveiled tackles the ideologies of America's most notorious conservative radio talk show icon in The Most Dangerous Man in America Rush Limbaugh's Assault on Reason Rush Limbaugh is the most prominent figure in the conservative movement with millions of listeners every week on more than six hundred stations a larger media platform than almost any other individual in the nation And this is why he is so dangerous Despite refusing to uphold even the most basic standards of journalism Rush has been given an extensive wide reaching platform with which to spew his venom And spew it he does In this book author John K Wilson uses the most damning evidence of all Rush's own words to deliver the ultimate indictment of Limbaugh's bankrupt ideology and how it embodies the decline of the conservative movement Wilson catalogs the world according to Rush from the political conspiracies to his disdain for scientific evidence and apparent love of racist sexist and homophobic stereotypes and shows how the radio personality poisons any rational political rhetoric with an endless stream of slurs lies and intimidation Most revealingly the author demonstrates how Limbaugh's blustering baseless proclamations and love for savage personal attacks have had a chilling effect on both parties as he viciously targets not only liberals but also any Republican who dares question one of his conclusions Meanwhile Rush's viselike grip on the political arena has created a media monster so powerful that even liberal commentators are forced to engage with him and his polarizing discourse The Most Dangerous Man in America reveals Rush Limbaugh to be just that No matter what you thought about the man before you will never feel the same way

about him again [Mightier Than the Sword](#) Rodger Streitmatter,1998-02-13 For more than two centuries American journalism has played a seminal role not merely in recording this nation s history but also in shaping it By looking at fourteen discrete events from the 1760s through the 1990s this book reveals that as the American news media report and comment on events of the day they wield enormous impact on those events Index 27 photos cartoons **Kitsch** Catherine A. gives them enormous political power Unlike elected representatives however they must entertain their audience or watch their ratings fall Talk radio boosted the Republican agenda in the 1990s but two decades later escalation in the battle for the airwaves pushed hosts toward ever more conservative outrageous and hyperbolic content Donald Trump borrowed conservative radio hosts playbook and gave Republican base voters the kind of pugnacious candidate they had been demanding for decades By 2016 a political force no one intended to create had completely transformed American politics

The Hollow Parties Daniel Schlozman, Sam Rosenfeld, 2025-10-28 A major history from the Founding to our embittered present that explains the void Politico at the center of America s political parties Featured on The Ezra Klein Show and The Weekly Show with Jon Stewart America s political parties are hollow shells of what they could be locked in a polarized struggle for power and unrooted as civic organizations The Hollow Parties takes readers from the rise of mass party politics in the Jacksonian era through the years of Barack Obama and Donald Trump Today s parties at once overbearing and ineffectual have emerged from the interplay of multiple party traditions that reach back to the Founding Daniel Schlozman and Sam Rosenfeld paint unforgettable portraits of figures such as Martin Van Buren whose pioneering Democrats invented the machinery of the mass political party and Abraham Lincoln and other heroic Republicans of that party s first generation who stood up to the Slave Power And they show how today s fractious party politics arose from the ashes of the New Deal order in the 1970s Activists in the wake of the 1968 Democratic National Convention transformed presidential nominations but failed to lay the foundations for robust movement driven parties Instead modern American conservatism hollowed out the party system deeming it a mere instrument for power Party hollowness lies at the heart of our democratic discontents With historical sweep and political acuity The Hollow Parties offers powerful answers to pressing questions about how the nation s parties became so dysfunctional and how they might yet realize their promise
