Russian Roulette The Konstantin Files:

Russian Roulette Ralph Griffith, 2025-10-10 **Russian Roulette** A Dmitri Petrov Crime Novel The call to Chief Inspector Dmitri Petrov comes as he is about to retire for the night The Director of Major Crimes his voice frantic with the news that four men were executed at one of Saint Petersburg's most upscale restaurants by a group of Chechens wielding AK 47s But the victims were not well to do business leaders they were high ranking very powerful leaders of the biggest organized crime groups in the Russian Federation The Director of Major Crimes terrified of a brutal gang war erupting in the streets of Saint Petersburg has a clear and urgent demand he wants Dmitri to handle the matter personally With the entire criminal underworld on edge Dmitri must navigate a criminal hierarchy on the brink of all out war He finds himself in a high stakes game where the odds are stacked against him This is no ordinary investigation This is Russian Roulette A chilling high stakes thriller where a single wrong move can ignite a city wide gang war Petrov faces his most dangerous case yet in a riveting tale of power betrayal and underworld politics A deadly game of strategy and chance that perfectly lives up to its title Pulse pounding and authentic plunging the reader into the heart of Russian organized crime To Break Russia's Chains Vladimir Alexandrov, 2021-09-07 A brilliant examination of the enigmatic Russian revolutionary about whom Winston Churchill said few men tried more gave more dared more and suffered more for the Russian people and who remains a legendary and controversial figure in his homeland today Although now largely forgotten outside Russia Boris Savinkov was famous and notorious both at home and abroad during his lifetime which spans the end of the Russian Empire and the establishment of the Soviet Union A complex and conflicted individual he was a paradoxically moral revolutionary terrorist a scandalous novelist a friend of epoch defining artists like Modigliani and Diego Rivera a government minister a tireless fighter against Lenin and the Bolsheviks and an advisor to Churchill At the end of his life Savinkov conspired to be captured by the Soviet secret police and as the country's most prized political prisoner made headlines around the world when he claimed that he accepted the Bolshevik state But as this book argues this was Savinkov's final play as a gambler and he had staked his life on a secret plan to strike one last blow against the tyrannical regime Neither a Red nor a White Savinkov lived an epic life that challenges many popular myths about the Russian Revolution which was arguably the most important catalyst of twentieth century world history All of Savinkov's efforts were directed at transforming his homeland into a uniquely democratic humane and enlightened state There are aspects of his violent legacy that will and should remain frozen in the past as part of the historical record But the support he received from many of his countrymen suggests that the paths Russia took during the twentieth and twenty first centuries the tyranny of communism the authoritarianism of Putin's regime were not the only ones written in her historical destiny Savinkov's goals remain a poignant reminder of how things in Russia could have been and how perhaps they may still become someday Written with novelistic verve and filled with the triumphs disasters dramatic twists and contradictions that defined Savinkov's life this book shines a light on an extraordinary man who tried to change
