Ruthless Urban Christian:

Ruthless Shelia M. Goss, 2012-01-01 Shelia M Goss brings readers a modern day retelling of David and Bathsheba Bathsheba Richards has just discovered that she has a half sister who needs her help Sheba's long lost sister isn't too happy about their reunion though since she has a lot of problems of her own Sheba's dealing with her husband's boss who wants her all to himself After succumbing to his advances Sheba gets pregnant and there's no question about who the daddy is since her husband has been overseas for the past three months David King is the CEO of one of the largest media conglomerates in the country Few people know that David has a calling on his life but he's been running from it He thought having fame and fortune would fulfill the need Only after Sheba gets pregnant does he realize the error of his ways Praying for God's mercy David tries to right a wrong Whether he will succeed or fail remains to be seen With a long lost half sister and a husband who will surely feel betrayed Sheba's life is filled with turmoil Will David be her knight in shining armor as he professes to be or is her nightmare just beginning

The Myth of Colorblind Christians Jesse Curtis, 2021-11-09 Reveals how Christian colorblindness expanded white evangelicalism and excluded Black evangelicals In the decades after the civil rights movement white Americans turned to an ideology of colorblindness Personal kindness not systemic reform seemed to be the way to solve racial problems In those same decades a religious movement known as evangelicalism captured the nation's attention and became a powerful political force In *The Myth of Colorblind Christians* Jesse Curtis shows how white evangelicals efforts to grow their own institutions created an evangelical form of whiteness infusing the politics of colorblindness with sacred fervor Curtis argues that white evangelicals deployed a Christian brand of colorblindness to protect new investments in whiteness While black evangelicals used the rhetoric of Christian unity to challenge racism white evangelicals repurposed this language to silence their black counterparts and retain power arguing that all were equal in Christ and that Christians should not talk about race As white evangelicals portrayed movements for racial justice as threats to Christian unity and presented their own racial commitments as fidelity to the gospel they made Christian colorblindness into a key pillar of America's religious racial hierarchy In the process they anchored their own identities and shaped the very meaning of whiteness in American society At once compelling and timely *The Myth of Colorblind Christians* exposes how white evangelical communities avoided antiracist action and continue to thrive today

The Environment and Christian Ethics Michael S. Northcott, 1996-09-28 A new approach to environmental ethics from within the Christian tradition

Cruel Creeds, Virtuous Violence Jack David Eller, 2011-03 This illuminating in depth study presents a wealth of case material demonstrating the many manifestations of religious violence not just war and terrorism which are the focus of so many discussions of religiously motivated violence but also more prevalent forms The author an anthropologist devotes separate chapters to sacrifice both animal and human self mortification including self injury asceticism and martyrdom religious persecution from anti Semitic pogroms to witchhunts ethno religious conflict including such hotspots as Sri Lanka

Northern Ireland and the former Yugoslavia religious wars from the ancient Hebrews wars and the Christian Crusades to Islamic jihad and Hindu righteous wars and religious homicide and abuse spousal abuse genital mutilation and dowry death among other manifestations In the final chapter Religion and Nonviolence the author examines nonviolent and low conflict societies and considers various methods of managing conflict This book goes a long way toward helping us understand the nature of violence generally its complicated connections with religion and how society in the future might avoid being blindsided by the worst aspects of human nature

The Vampire War (urban fantasy) T.L. Cerepaka, 2018-05-12 Off to war Today was supposed to be my day off from training but when a group of vampires attack me on my way home from church I m forced to defend myself Without my silver sword that is Luckily an amazingly handsome sorcerer comes to my rescue only to inform me of an impending war brewing between sorcerers and vampires He says someone is trying to provoke both sides into war a war neither side will win and that he needs my help to stop it I d love to but I soon discover that whoever is trying to start this war doesn t just want to start a war but also wants me on their side Now I have to not only stop this war before it destroys both sorcerers and vampires alike but also keep myself from being seduced by the dark side And that of course is far easier said than done **KEYWORDS** urban fantasy vampire urban fantasy witch wizard urban fantasy mysteries urban fantasy christian urban fantasy sword urban fantasy action urban fantasy vampires urban fantasy mage urban fantasy sorcerer christian urban fantasy christian fantasy

The Roman Martyrs Michael Lapidge, 2018 The Roman Martyrs contains translations of forty Latin *passiones* of saints who were martyred in Rome or its near environs during the period before the peace of the Church c 312 Some of the Roman martyrs are universally known SS Agnes Sebastian or Laurence for example but others are scarcely recognized outside the ecclesiastical landscape of Rome itself Each of the translated *passiones* is accompanied by an individual introduction and commentary the translations are preceded by an Introduction which describes the principal features of this little known genre of Christian literature and are followed by five Appendices which present translated texts which are essential for understanding the cult of Roman martyrs This volume offers the first collection of the Roman *passiones* *martyrum* translated into a modern language They were mostly composed during the period 425 675 by anonymous authors who were presumably clerics of the Roman churches or cemeteries which housed the martyrs remains It is clear that they were composed in response to the explosion of pilgrim traffic to martyrial shrines from the late fourth century onwards at a time when authentic records protocols of their trials and executions had long since vanished and the authors of the *passiones* were obliged to imagine the circumstances in which martyrs were tried and executed The *passiones* are works of fiction and because they abound in ludicrous errors of chronology they have been largely ignored by historians of the early Church Although they cannot be used as evidence for the original martyrdoms they nevertheless allow a fascinating glimpse of the concerns which animated Christians during the period in question for example the preservation of virginity or the ever present threat posed by pagan practices As certain aspects of Roman life

will have changed little between the second century and the fifth the *passiones* shed valuable light on many aspects of Roman society not least the nature of a trial before an urban prefect and the horrendous tortures which were a central feature of such trials The *passiones* are an indispensable resource for understanding the topography of late antique Rome and its environs as they characteristically contain detailed reference to the places where the martyrs were tried executed and buried

The Vampire Sorceress Omnibus (urban fantasy box set) T.L. Cerepaka,2018-07-28 Contains all three Vampire Sorceress urban fantasy novels *The Vampire Sword* *The Vampire War* and *The Vampire Flame* **Christians and Muslims in the Middle Ages** Michael Frassetto,2019-11-12 The conflict and contact between Muslims and Christians in the Middle Ages is among the most important but least appreciated developments of the period from the seventh to the fourteenth century Michael Frassetto argues that the relationship between these two faiths during the Middle Ages was essential to the cultural and religious developments of Christianity and Islam even as Christians and Muslims often found themselves engaged in violent conflict Frassetto traces the history of those conflicts and argues that these holy wars helped create the identity that defined the essential characteristics of Christians and Muslims The polemic works that often accompanied these holy wars was important Frassetto contends because by defining the essential evil of the enemy Christian authors were also defining their own beliefs and practices Holy war was not the only defining element of the relationship between Christians and Muslims during the Middle Ages and Frassetto explains that everyday contacts between Christian and Muslim leaders and scholars generated more peaceful relations and shaped the literary intellectual and religious culture that defined medieval and even modern Christianity and Islam Religions and the Cruel Return of Gods Ezat Mossallanejad,Richard T. Hull,2012

Citifying Jesus Emiliano Rubens Urciuoli ,2024-09-02 Urban religion is not the generic term for any religion existing within an urban environment Emiliano Rubens Urciuoli demonstrates that examining early Christianity as an urban religion involves understanding that certain fundamental attributes usually seen as inherent to this religion can be better explained as outcomes of particular urban conditions and distinct uses of urban space in other words as urban effects
