Everything You Need to Know to Begin Working With Runes

The enigmatic nature of the runes is undeniable In fact the English word rune comes to us from the Norse word *runa* which means a secret or to whisper As symbols the runes mean little to the untrained eye yet the magical energies they activate can be used for positive impactful change in your everyday life But what are runes exactly On the surface level runes are the characters in a writing system used by the ancient Germanic peoples of Europe But unlike our modern letters the runic symbols had been used for magical purposes long before they were fashioned into an alphabet This is known from runic inscriptions found on ancient artifacts as well as Germanic myth and lore handed down over the centuries Indeed those who work with the runes today are taking part in an age old magical tradition established by our Northern European pagan ancestors
