Brannagh, 2014-01-07 An irresistible combination of humor and heart with a fun sexy edge This fantastic debut will have you cheering for more Susan Mallery 1 New York Times bestselling author Emily Hamilton doesn't trust men She's much more comfortable playing the romantic lead in front of a packed house onstage than in her own life So when NFL star and alluring ladies man Brandon McKenna acts as her personal white knight she has no illusions that he'll stick around However a misunderstanding with the press throws them together in a fake engagement that yields unexpected and breathtaking benefits Every time Brandon calls her Sugar Emily almost believes he's playing for keeps not just to score Can she let down her defenses and get her own happily ever after The Loser's Ball Bob Lannom, 2024-07-08 This is the story of a farm kid

who grew up on a small dairy farm with the dream of playing baseball for the Tennessee Volunteers There was no Little League nor did his high school have a baseball program He was left to develop his skills through creative techniques in preparation for his time to come He became a rock hitter pitching up rocks and smacking them with old axe handles The book details how he dealt with Loser's Balls and how he worked through his losses by not giving up but giving out with his determined work ethic to pocket the negatives and climb out of the loser's bracket as he turned his Loser's Balls into Opportunity Balls winning many championships along the way You will learn that losses are often disguised as foundations for upcoming victories greater than your expectations not only in sports but in the extra innings of the game of life
