Russian Fascism Stephen Shenfield, 2016-07-08 First Published in 2001 This study presents a thorough analysis of facism its manifestations in Russian political and cultural history and facist tendencies and movements in contemporary Russian society [Russian Fascism: Traditions, Tendencies and Movements](#) Stephen Shenfield, 2015-02-12 This study presents a thorough analysis of facism its manifestations in Russian political and cultural history and facist tendencies and movements in contemporary Russian society *Russian Fascism* Stephen Shenfield, 2015 This study presents a thorough analysis of facism its manifestations in Russian political and cultural history and facist tendencies and movements in contemporary Russian society [Russian Fascism](#) Stephen D. Shenfield, 2001-02-05 Will Russia s fragile and flawed democracy meet the same fate as interwar Germany s Weimar Republic That is the question that prompts this meticulous analysis of fascism its manifestations in Russian political and cultural history and fascist tendencies and movements in contemporary Russia The author devotes chapters to the many Russian political parties movements and organizationst that have been labeled or mislabeled as fascist He critically examines each in terms of program leadership and organizational effectiveness Against the background of the current climate of opinion and events in Russia he concludes with a careful attempt to weigh the pospects for a fascist outcome **The Extreme Nationalist Threat in Russia** Thomas Parland, 2004-11-10 This book examines the nature of the extreme right in contemporary Russia arguing in particular that alongside a continuing tradition which emphasizes Russia s orthodox and traditional past an increasingly important intellectual current is drawing on Western European neo fascist ideas and adapting them to the Russian situation This book examines this intellectual current within the context of increasing conservatism across Russia as a whole showing how the new ideas have an impact right across the political spectrum and assessing the threat posed by them and their proponents *Russian Fascism* Stephen Shenfield, 2016-07-08 First Published in 2001 This study presents a thorough analysis of facism its manifestations in Russian political and cultural history and facist tendencies and movements in contemporary Russian society [Ultra-Nationalism and Hate Crimes in Contemporary Russia](#) Galina Kozhevnikova, 2012-02-27 This book is a collection of the 2004 2005 and 2006 annual reports as well as some additional statistics on 2007 compiled by Moscow s SOVA Center for Information and Analysis The reports are devoted to such issues as political nationalism hate crimes the use of police administrative political and social tools to counteract xenophobic violence and the Russian authorities abuse of laws designed to counteract extremism i e their cynical exploitation of this legislation for their own political purposes Already in the middle of this decade all of these problems were known to pose a certain threat to Russian society In spite of the considerable public attention they received since then only few effective measures have been taken and thus the situation is getting worse The level of racist violence is increasing further and the spectrum of ultra nationalist groups is consolidating Moreover representatives of the political elite have started to adopt cryptic and sometimes overtly xenophobic rhetoric At the same time the government s

current office holders actively utilize anti extremist legislation to unlawfully restrict not only ultra nationalist groups but also the rights and liberties of other non governmental and political organizations Russian Nationalism and the National Reassertion of Russia Marlene Laruelle,2009-05-07 This book considers a wide range of aspects of Russian nationalism focussing on the Putin period It discusses the development of Russian nationalism including in the Soviet era examines how it relates to ideology culture racism religion and intellectual thinking and its affects on Russian society politics and foreign policy Problems of Post-communism ,2005 **The Politicization of Russian Orthodoxy** Anastasia V Mitrofanova,2005-07-26 This book analyzes the ideologies of politicized Orthodox Christianity in today Russia including fundamentalism pan Slavism neo Eurasianism Orthodox communism and nationalism Apart from textual analysis the volume provides a description of the specific subculture of political Orthodoxy i e its language symbols art mass media hangouts and dresscode This study represents the first scholarly examination of these topics Unlike other publications on the politicization of Orthodoxy it is focused not on the political ambitions of the Russian Orthodox Church ROC but on political movements ideologically based on their own interpretations of the Orthodox doctrine often contravening the canonical version The book demonstrates that the political Orthodox or Orthodox patriots are a specific branch of believers who frequently do not practice Orthodoxy properly inventing instead their own quasi Orthodox rituals The volume shows that the ROC is not responsible for such religious politicization and that the community of the political Orthodox is rather guided by religiously oriented lay intellectuals The book provides a brief analysis of this intellectual community Finally the volume demonstrates that even in the absence of significant electoral achievements some religio political Orthodox movements namely fundamentalists and nationalists have been able to gain public support at the grassroots level They have been able to infiltrate larger and more moderate political organizations thus contributing to a general Orthodoxization of Russian political discourse

With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Russian Fascism Traditions Tendencies Movements Paperback books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Russian Fascism Traditions Tendencies Movements Paperback books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Russian Fascism Traditions Tendencies Movements Paperback versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Russian Fascism Traditions Tendencies Movements Paperback books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Russian Fascism Traditions Tendencies Movements Paperback books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain,

meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Russian Fascism Traditions Tendencies Movements Paperback books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Russian Fascism Traditions Tendencies Movements Paperback books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement.
