History of the Russian Revolution Leon Trotsky,2008 During the first two months of 1917 Russia was still a Romanov monarchy Eight months later the Bolsheviks stood at the helm They were little known to

anybody when the year began and their leaders were still under indictment for state treason when they came to power You will not find another such sharp turn in history especially if you remember that it involves a nation of 150 million people It is clear that the events of 1917 whatever you think of them deserve study Leon Trotsky from History of the Russian Revolution Regarded by many as among the most powerful works of history ever written this book offers an unparalleled account of one of the most pivotal and hotly debated events in world history This book reveals from the perspective of one of its central actors the Russian Revolution s profoundly democratic emancipatory character Originally published in three parts Trotsky s masterpiece is collected here in a single volume It serves as the most vital and inspiring record of the Russian Revolution to date T he greatest history of an event that I know C L R James Justly celebrated as a towering vivid historically vital work China Mi ville October In Trotsky all passions were aroused but his thought remained calm and his vision clear His involvement in the struggle far from blurring his sight sharpens it The History is his crowning work both in scale and power and as the fullest expression of his ideas on revolution As an account of a revolution given by one of its chief actors it stands unique in world literature Isaac Deutscher **OCR GCSE Modern World History Revision Guide 2nd Edition** Wayne Birks,Ben Walsh,2014-10-31 Succeed in OCR GCSE Modern World History with this active and effective approach to revision All the key content of the OCR course is presented in just the right amount of detail for revision Revision tasks are provided for every topic to ensure you remember and understand it Exam Practice and Exam tips help you apply what you are learning to exam style questions Comment boxes guide you towards possible viewpoints on the key issues reaching your own view and being able to support it is a good way to boost your grade *My Revision Notes: AQA AS/A-level History: Tsarist and Communist Russia, 1855-1964* Michael Scott-Baumann,2017-04-24 Exam Board AQA Level AS A level Subject History First Teaching September 2015 First Exam June 2016 Target success in AQA AS A level History with this proven formula for effective structured revision key content coverage is combined with exam preparation activities and exam style questions to create a revision guide that students can rely on to review strengthen and test their knowledge Enables students to plan and manage a successful revision programme using the topic by topic planner Consolidates knowledge with clear and focused content coverage organised into easy to revise chunks Encourages active revision by closely combining historical content with related activities Helps students build practise and enhance their exam skills as they progress through activities set at three different levels Improves exam technique through exam style questions with sample answers and commentary from expert authors and teachers Boosts historical knowledge with a useful glossary and timeline *An Illustrated History of the Russian Revolution* Valentin Astrov,Aleksandr Nikolaevich Sliņepkov,J. Thomas,1928 **The Left In History** Willie Thompson,1997 Essential and rather chastening reading for anyone who believes left values need to have some effective public resonance and political impact and wants to learn from the few victories and many defeats experienced over the 20th century Socialist History One of the most accurate comprehensive and stimulating histories of the left New Times A

Concise History of the Russian Revolution Richard Pipes, 2011-04-27 An authoritative history of the Russian Revolution and the violent and disruptive acts that created the first modern totalitarian regime portraying the crisis at the heart of the tsarist empire A deep and eloquent condemnation of the revolution and its aftermath The New York Times Drawing on archival materials released in Russia Richard Pipes chronicles the upheaval that began as a conservative revolt but was soon captured by messianic intellectuals intent not merely on reforming Russia but on remaking the world He provides fresh accounts of the revolution's personalities and policies crises and cruelties from the murder of the royal family through civil war famine and state terror Brilliantly and persuasively Pipes shows us why the resulting system owes less to the theories of Marx than it did to the character of Lenin and Russia's long authoritarian tradition What ensues is a path clearing work that is indispensable to any understanding of the events of the century
