Ryan Abuse Commission Report:

The Civil Service Commission's Staff and Merit Abuse Edward Lyle, 1978 Ireland and the Magdalene Laundries Claire McGettrick, Katherine O'Donnell, Maeve O'Rourke, James M. Smith, Mari Steed, 2021-08-12 Between 1922 and 1996 over 10 000 girls and women were imprisoned in Magdalene Laundries including those considered promiscuous a burden to their families or the state those who had been sexually abused or raised in the care of the Church and State and unmarried mothers These girls and women were subjected to forced labour as well as psychological and physical maltreatment Using the Irish State's own report into the Magdalene institutions as well as testimonies from survivors and independent witnesses this book gives a detailed account of life behind the high walls of Ireland's Magdalene institutions The book offers an overview of the social cultural and political contexts of institutional survivor activism the Irish State's response culminating in the McAleese Report and the formation of the Justice for Magdalenes campaign a volunteer run survivor advocacy group Ireland and the Magdalene Laundries documents the ongoing work carried out by the Justice for Magdalenes group in advancing public knowledge and research into Magdalene Laundries and how the Irish State continues to evade its responsibilities not just to survivors of the Magdalenes but also in providing a truthful account of what happened Drawing from a variety of primary sources this book reveals the fundamental flaws in the state's investigation and how the treatment of the burials exhumation and cremation of former Magdalene women remains a deeply troubling issue today emblematic of the system of torture and studious official neglect in which the Magdalene women lived their lives The Authors are donating all royalties in the name of the women who were held in the Magdalenes to EPIC Empowering People in Care **Practical Social Work Ethics** Lorraine Green, Malcolm Carey, 2017-03-02 This is the first text of its kind to deal exclusively with applied social work ethics It focuses on an eclectic mix of difficult moral questions or issues encountered in much modern day practice It is therefore not theoretically driven with some practical elements attached but is instead is a practice based book where any theory introduced is linked to tangible practice situations It is also thought provoking controversial in parts and always engaging The book is divided into three key sections each introduced by the editors Past and Present Moral Practices with Children and Families Ethical Tensions Ambivalent Ethics and Adult Social Work Contesting Modernisation Each section covers a range of topics and poses difficult questions which link to ethical dilemmas or anxieties These are attached to themes such as whether culturally sensitive social work is always a good thing the implications of secrets and silence within inter generational families or the use of Controlled Treatment Orders or medical and social models within mental health social work Other chapters ask whether the many forms of user carer participation within social work education or practise are ethically viable explore the moral paradoxes which emerge when vested financial interest sometimes appear to eclipse users interests examine the implications of avoiding or uncritically deploying touch in social work care or consider the many moral implications of institutional abuse within social work With a focussed and clear writing

style this book will be of interest to all social work students and practitioners interested in the practical yet complex moral ramifications of their applied role

Transforming Justice Responses to Non-Recent Institutional Abuses Anne-Marie McAlinden, Marie Keenan, James Gallen, 2025-03-20 Over the last few decades the issue of historical non recent institutional abuses has resonated in a range of Western states and churches Despite the recent proliferation of justice responses to such abuses including prosecutions and civil litigation inquiries redress and apologies it is a subject which is insufficiently understood in the literature Set against the complexities of the legal historical cultural and political realities of addressing non recent institutional abuses *Transforming Justice Responses to Non Recent Institutional Abuses* critically examines these justice responses across Northern Ireland and the Republic of Ireland Bringing together the voices of victim survivors of non recent institutional abuses with legal actors academics media professionals and church and state actors on their experiences of justice processes this book reframes discourses on accountability and responsibility and considers how to improve justice processes at the level of praxis and increase engagement between victim survivors and institutional actors Drawing on interdisciplinary literature related to restorative transitional and transformative justice and analysis of primary research the book advances analysis of the role of innovative justice in this space and a new approach to justice which bridges the accountability gap between seeking and achieving justice for non recent institutional abuses while improving outcomes for victims and survivors This is an open access title available under the terms of a CC BY NC ND 4 0 International licence It is free to read on Oxford Scholarship Online and offered as a free PDF download from OUP and selected open access locations

The Sacred in the Modern World Gordon Lynch, 2012-02-17 It is often claimed that we live in a secular age But we do not live in a desacralized one Sacred forms whether in religious or secular guise continue to shape social life in the modern world giving rise to powerful emotions polarized group identities and even the very concept of moral society Analyzing contemporary sacred forms is essential if we are to be able to make sense of the societies we live in and think critically about the effects of the sacred on our lives for good or ill *The Sacred in the Modern World* is a major contribution to this task Re interpreting Durkheim s theory of the sacred and drawing on the strong program in cultural sociology Gordon Lynch sets out a theory of the sacred that can be used by researchers across a range of humanities and social science disciplines Using vividly drawn contemporary case material including the abuse and neglect of children in Irish residential schools and the controversy over the BBC s decision not to air an appeal for aid for Gaza the book demonstrates the value of this theoretical approach for social and cultural analysis The key role of public media for the circulation and contestation of the sacred comes under close scrutiny Adopting a critical stance towards sacred forms Lynch reflects upon the ways in which sacred commitments can both serve as a moral resource for social life and legitimate horrifying acts of collective evil He concludes by reflecting on how we might live thoughtfully and responsibly under the light and shadow that the sacred casts asking whether society without the sacred is possible or desirable

Human Rights and Equality in Education Fredman,

Sandra, Campbell, Meghan, 2018-06-20 Thousands of children from minority and disadvantaged groups will never cross the threshold of a classroom What can human rights contribute to the struggle to ensure that every learner is able to access high quality education This brilliant interdisciplinary collection explores how a human rights perspective offers new insights and tools into the current obstacles to education It examines the role of private actors the need to hold states to account for the quality of education how to strike a balance between religion culture and education the innovative responses needed to guarantee girls right to education and the role of courts This unique book draws together contributors who have been deeply involved in this field from both developing and developed countries which enriches the understanding and remedial approaches to tackle current obstacles to universal education The Legacy and Limits of Vatican II in an Age of Crisis

Massimo Faggioli, Edward P. Hahnenberg, Kristin M Colberg, Catherine Clifford, 2025-04-26 A renewed approach to the critical study of the event and documents of Vatican II necessary for responding to the challenges facing today's church Packed with new insights from some of today's most highly regarded voices on the Second Vatican Council The Legacy and Limits of Vatican II in an Age of Crisis enacts the living tradition of the church by proposing a richer history to be told sixty years from its celebration and a broader theology to inspire our work today Vatican II did not anticipate our contemporary challenges nor do its documents provide specific guidelines or step by step instructions for addressing them But that does not make the council irrelevant As a touchstone of the church's magisterial tradition the Second Vatican Council remains foundational for the life and mission of the Catholic Church today However like any monument of the tradition the council requires ongoing investigation critical analysis and constant reconsideration from a diversity of contemporary perspectives if it is going to contribute to the living tradition of the church Through historical and theological lenses the contributors aim to rediscover forgotten voices and overlooked moments of Vatican II that may have something even more important to say today Each chapter promises to surprise enlighten inspire and teach in fresh and unexpected ways The contributors offer readers striking insights on the council's teaching related to the sexual abuse crisis antiracism politics the Synod on Synodality and much more By reexamining the teaching of Vatican II from the perspective of our present ecclesial crisis readers will have a better understanding of how its legacy and limits affect the ongoing reform of the church in a much changed theological ecclesial and social landscape Contributors Matteo Caponi Catherine E Clifford Kristin M Colberg Agn's Desmazi res

marriage underlined the scale of the transformation The new diversity of the population and literary and musical prowess also revealed a country experiencing rapid alteration The road to peace that saw an end to war in Northern Ireland and culminated in the first visit to southern Ireland of a reigning British monarch in 100 years illuminated the new Anglo Irish dynamic Explosive revelations about deep betrayals from the past destroyed the credibility of the traditionally powerful Catholic Church And in the wake of the 2008 financial crash Ireland rebounded and rebuilt to great success but remained plagued by health and housing failures Economic recovery the end of civil war politics ever closer European involvement and Anglo Irish highs were followed by Brexit lows and increasing talk of Irish unity There is much to open people's eyes in this riveting account of contemporary Ireland As the Republic enters its second century of independence and the North continues to grapple with the legacy of the Troubles Diarmaid Ferriter makes historical sense of post 1990s Ireland and what lies in the darkest corners of its archives

Fifty Key Irish Plays Shaun Richards, 2022-08-25 Fifty Key Irish Plays charts the progression of modern Irish drama from Dion Boucicault's entry on to the global stage of the Irish diaspora to the contemporary dramas created by the experiences of the New Irish Each chapter provides a brief plot outline along with informed analysis and alert to the cultural and critical context of each play an account of the key roles that they played in the developing story of Irish drama While the core of the collection is based on the critical canon including work by J M Synge Lady Gregory Teresa Deevy and Brian Friel plays such as Tom Mac Intyre's The Great Hunger and ANU Productions Laundry which illuminate routes away from the mainstream are also included With a focus on the development of form as well as theme the collection guides the reader to an informed overview of Irish theatre via succinct and insightful essays by an international team of academics This invaluable collection will be of particular interest to undergraduate students of theatre and performance studies and to lay readers looking to expand their appreciation of Irish drama

Irish Drama and Theatre Since 1950 Patrick Lonergan, 2019-02-21 Drawing on major new archival discoveries and recent research Patrick Lonergan presents an innovative account of Irish drama and theatre spanning the past seventy years Rather than offering a linear narrative the volume traces key themes to illustrate the relationship between theatre and changes in society In considering internationalization the Troubles in Northern Ireland the Celtic Tiger period feminism and the changing status of the Catholic Church in Ireland Lonergan asserts the power of theatre to act as an agent of change and uncovers the contribution of individual artists plays and productions in challenging societal norms Irish Drama and Theatre since 1950 provides a wide ranging account of major developments combined with case studies of the premiere or revival of major plays the establishment of new companies and the influence of international work and artists including Tennessee Williams Chekhov and Brecht While bringing to the fore some of the untold stories and overlooked playwrights following the declaration of the Irish Republic Lonergan weaves into his account the many Irish theatre makers who have achieved international prominence in the period Samuel Beckett Siobhán McKenna and Brendan Behan in the 1950s continuing with

Brian Friel and Tom Murphy and concluding with the playwrights who emerged in the late 1990s including Martin McDonagh Enda Walsh Conor McPherson Marie Jones and Marina Carr The contribution of major Irish companies to world theatre is also examined including both the Abbey and Gate theatres as well as Druid Field Day and Charabanc Through its engaging analysis of seventy years of Irish theatre this volume charts the acts of gradual but revolutionary change that are the story of Irish theatre and drama and of its social and cultural contexts
