

NEO-FFI™

NEO Five-Factor Inventory™

Test Booklet—Form S (Adult)

Paul T. Costa, Jr., PhD, and Robert R. McCrae, PhD

Instructions

Write only where indicated in this booklet. Carefully read all of the instructions before beginning. This questionnaire contains 60 statements. Read each statement carefully. For each statement fill in the circle with the response that best represents your opinion. Make sure that your answer is in the correct box.

Fill in **(SD)** if you *strongly disagree* or the statement is definitely false.

Fill in **(D)** if you *disagree* or the statement is mostly false.

Fill in **(N)** if you are *neutral* on the statement, if you cannot decide, or if the statement is about equally true and false.

Fill in **(A)** if you *agree* or the statement is mostly true.

Fill in **(SA)** if you *strongly agree* or the statement is definitely true.

For example, if you strongly disagree or believe that a statement is definitely false, you would fill in the **(SD)** for that statement.

Example

Fill in only one response for each statement. Respond to all of the statements, making sure that you fill in the correct response. **DO NOT ERASE!** If you need to change an answer, make an "X" through the incorrect response and then fill in the correct response.

Note that the responses are numbered in rows. Before responding to the statements, turn to the inside of the booklet and enter your name, age, gender, and today's date.

McCrae, 1992 **Handbook of Personality Assessment** Irving B. Weiner, Roger L. Greene, 2011-01-31 This comprehensive balanced guide to personality assessment written by two of the foremost experts in the field is sure to become the gold standard of texts on this topic The Handbook of Personality Assessment covers everything from the basics including a historic overview and detailed discussion of the assessment process and its psychometric foundations to valuable sections on conducting the assessment interview and the nature interpretation and applications of the most popular self report objective and performance based projective measures A concluding section of special topics such as computerized assessment ethical and legal issues and report writing are unique to this text **Handbook of Psychological Assessment** Gerald Goldstein, Daniel N. Allen, John Deluca, 2019-02-28 The fourth edition of the Handbook of Psychological Assessment provides scholarly overviews of the major areas of psychological assessment including test development psychometrics technology of testing and commonly used assessment measures Psychological assessment is included for all ages with new coverage encompassing ethnic minorities and the elderly Assessment methodology discussed includes formal testing interviewing and observation of behavior The handbook also discusses assessment of personality and behavior including intelligence aptitude interest achievement personality and psychopathology New coverage includes use of assessments in forensic applications Encompasses test development psychometrics and assessment measures Covers assessment for all age groups Includes formal testing interviews and behavioral observation as testing measures Details assessments for intelligence aptitude achievement personality and psychopathology New coverage of assessments used in forensic psychology New coverage on assessments with ethnic minorities **The Five-Factor Model of Personality Across Cultures** Robert R. McCrae, Juri Allik, 2012-12-06 ROBERT R MCCRAE it is simply personality research conducted in different countries The implicit assumption behind this practice is that personality processes are universal and where they are studied is thus of no consequence An insensitivity to cultural context once imputed mostly to Americans now appears to characterize the field worldwide Fortunately recent years have also seen a rise of interest in studies of personality and culture Church 2001 Church Lee McCauley McCrae 2000 What do these new studies show Are personality processes indeed universal or are there significant variations across cultures that necessitate a more nuanced approach to research There is as yet no definitive answer to that question In some respects human personality does seem to transcend the boundaries of

language and culture in other respects it is profoundly influenced by social and historical forces Sorting these issues out must be a priority for our field if we are to understand the current personality literature

Handbook of Personality Psychology Robert Hogan, John A. Johnson, Stephen R.
