Assassin and the Therapist Jeffrey Kottler,2011-01-19 Many therapists have likely worked with a client who has caused the therapist to confront his most cherished beliefs or has changed the therapist in ways that forever altered the way he performs therapy looks at the world and sees himself The author of this book found himself in just such a situation causing him to begin his own search for truth This book is the result of his search it explores the nature of truth in psychotherapy and in the therapist s life examining some of the things that are often denied and rarely spoken about This book contains two parallel narratives the first tells the story of Jacob a man in his seventies who lived through one of the most dramatic periods in history and actually altered events through his acts of violence Following him from his childhood to his recruitment training and life as an assassin it is a tale of intrigue of adventure and courage but one that also raises a number of profound moral issues The reader will find several unexpected but significant themes scattered throughout Jacob s story which upon close examination have significant implications for the ways therapists think about their work and their relationships with

clients The second narrative details the author's struggles as a therapist as he tries to make sense of his doubt imperfections and self deceptions The reader will join him on his search for truth in both psychotherapy and life His story becomes a lesson for digging deep into the complex and ambiguous nature of what therapists do and what they think they learn in their work A greatly unique and fascinating work readers will find themselves both enthralled in and changed by Jacob's story and the author's journey

The Master Will Appear L.A. Witt, 2017-03-15 Dr. Mikhail Misha Budnikov takes one look at fellow fencer Ryan O'Connor and instantly knows his type. The undisciplined hothead is all ego with no finesse and even less control. In short, Misha's pet peeves personified. To put the arrogant kid in check, Misha challenges him to a sparring match, which he predictably wins. Not so predictably, Ryan asks him to be a mentor and show him how to fence. Startled by the moment of humility, Misha agrees. What begins as fencing lessons becomes something much hotter, and before they know it, Misha is giving Ryan an entirely different kind of education: dominance, submission, pain, pleasure. At the hands of an older, experienced man, a whole new world is opening up for Ryan. As the trust deepens and their bond strengthens, though, Ryan retreats because that sham called love left him jaded long ago. Cynical beyond his years, he's not letting his guard down, least of all for a thrice-divorced man twice his age. Now Misha has to find a way to crack through those defenses or accept defeat and walk away from the submissive who might just be the love of his life. This Las Palmas Fencing Club novel is approximately 120,000 words and can be read as a standalone. This M/M romance has an age gap over 40, class differences, and lots of sexy, kinky heat with all the feels.
