Process Theology Bruce Gordon Epperly, 2011 **Process Theology**

and Mysticism Bruce G. Epperly, 2023-12-05 Can mysticism and process theology work together in a way that is a valuable and practical part of one's spiritual life In this booklet the first of three that integrate process theology with contemporary spiritual life and activity Bruce Epperly brings process thought into our spiritual lives and physical well being in a call to Shalom in cooperation with the Divine Epperly is a specialist in bringing difficult concepts to life for everyone He combines that skill with the short format of the Topical Line Drives series to reach spiritual seekers embedded in a busy and challenging world Mysticism is not something just for people in ancient times or who live in monasteries It can be a vital part of your life These may be the words you're looking for to understand and express what you feel *Process and Pastoral Care* Bruce G Epperly, 2019-02-07 This concise book the sixth short guide on process theology and its practical implications by Dr Bruce Epperly applies process thought to the calling and activities of pastoral ministry Short and to the point as are all books in the Topical Line Drives series this text will provide pastors and others involved in caregiving ministries a new and adventurous way of thinking about and meeting the challenges of their vocation God is already present in the hospital room and even the funeral home You have the opportunity to experience the vision of what can happen when we discover that God is always opening up new possibilities empowering us to partner with God in healing the world and strengthening us for and comforting us in the difficult times of life Learn to connect more closely to the divine and the human to see more clearly and to participate more completely as God does A practical deeply theological and challenging guide to the adventure of pastoral care Process Spirituality Bruce G Epperly, 2017-11-20 What one believes about God shapes how one worships prays thinks and lives Dr Bruce Epperly who provided a very short introduction to process theology in *Process Theology Embracing Adventure with God* now provides a short and succinct guide to spiritual practices for those who want to embrace and live the adventurous spiritual life From times of worship to prayer to solitude and even to study he provides a guide to living with a God who is deeply and intimately involved in our lives Holiness and spirituality are not about being other worldly Rather they are about being even more in the here and now than any of us may have thought possible With exercises affirmations and a variety of spiritual practices explained and theologically grounded this book is a valuable resource for small group study as well as for individual reading Process Theology Bruce G. Epperly, 2014-02-17 Process theology is considered a very complex and difficult to understand system Is it possible to get a basic grasp of what it is and how it impacts our lives and service to others In this brief lively and engaging book Dr Bruce Epperly untangles the difficult concepts of process theology and shows how we can envision a God who is in relation to us throughout our lives here and in the next world He believes that God is present at the moment of our conception guides us through the adventures of this lifetime urging us to rejoice in embodiment and bring healing to our world and upon our final earthly breath receives us with open arms with visions of future adventures in communion with God and our fellow creatures Not only is this theology easy to understand but it also challenges us to live out God's adventure in with joy sharing God's life with all of God's creatures This book is an

excellent introduction to process theology useful for small groups or individual study and includes a list of resources for further study *Religion and Ecological Crisis* Md. Abu Sayem, 2022-09-02 *Religion and Ecological Crisis* delves into the complex relationship between religions and ecology presenting Christian and Islamic perspectives on ecological issues through the work of John Boswell Cobb and Seyyed Hossein Nasr It examines how faith traditions of the world see and respond to our current unprecedented climate change issues This is the first comparative study of Cobb and Nasr's eco religious understanding and explores how their prescriptions can contribute alternatively to techno scientific initiatives in environmental sustainability Taking Cobb's economism and Nasr's scientism as the key concepts for surveying the roots of the ecological crisis the book offers interdisciplinary and interreligious insights into the debates about ecological equilibrium motivational awareness in human mind and about entanglements between religion and the environment This will be an insightful resource for policy makers faith leaders and for academics working in Environmental Studies and Religious Studies

Praying with Process Theology Bruce Gordon Epperly, 2017-02-20 The evidence is clear that we need a transformed personal and planetary consciousness We need to move from individualism and consumerism to simplicity of life and a sense of the common good We need a worldview that inspires transformed spiritual practices as well as personal and community commitments to justice and ecological healing We need to align ourselves with God's vision of planetary healing The fifty days of devotional readings and spiritual practices offered here grounded in the insights of process theology are designed to do just that Process theology provides a practical life changing vision for our pluralistic postmodern and planetary age Our theological visions can cure or kill Images of God emphasizing power domination and predestined privilege have led to planetary destruction and the eradication of indigenous people In contrast to life destroying theologies we need theological visions that empower heal and inspire us to become God's companions in changing the world Theology and process theology in particular can be understood as a series of affirmations that can change our minds and change the world if held sincerely and practiced consistently These affirmations are intimately connected with spiritual practices that can be used by laypeople as well as religious and academic professionals to enable an experience of the profound interconnectedness of life and our intimate companionship with a loving living God
